

# KINGDOM VISION

14 million people in PA/SJ do not have a relationship with Jesus Christ!

The Week of Prayer for State Missions is a concentrated time of prayer for PA/SJ Baptists, churches, and various mission-oriented ministries, including collegiate ministry, compassion care, and disaster & crisis relief. The Week of Prayer coincides with the PA/SJ State Missions Offering, received all year with special emphasis during this week.

## Prayer Requests:

### Day 1 - Sunday:

Please pray for our 12 BRN Next collegiate ministers and the students they are ministering to across 10 campuses during this very challenging pandemic. Pray for innovative outreaches, hearts that are open to the Gospel, and for a strong disciple-making movement across our landscape. Pray for featured missionaries Scott and Briana Underhill and the students at Clarion University who seek to represent the Kingdom of God.

### Day 2 - Monday:

Please pray for our many churches who have been loving their neighbors through compassionate food distribution, delivery of groceries, prescriptions, personal protective equipment, and more. Pray especially for Wholesome Riches ministry, whose food distribution to underprivileged children in

Camden, N.J., began long before the pandemic and continues to grow as the needs increase.

### Day 3 - Tuesday:

Please pray for our hard-working disaster relief teams who have met the needs of neighbors, near and far, through food distribution, recovery from devastating floods and hurricanes, prayer, and more. Please pray specifically for Lorraine, a Pennsylvania resident who now knows Jesus as a result of such life-giving volunteer work!

### Day 4 - Wednesday:

Please pray for the over 750,000 college students across PA/SJ to respond to God's call for salvation and service. Pray against the increasing percentage of young adults who leave

the church once out on their own. May they develop Kingdom Vision while in college!

### Day 5 - Thursday:

Please pray God will increase the number of trained disaster relief volunteers in PA/SJ and across the country. As our abilities become more known, our resources become more relied upon. Also, pray that God would raise up leadership among the next generation of trained volunteers.

### Day 6 - Friday:

Please pray for compassion ministry across PA/SJ as churches share Jesus with those who are struggling daily. Especially pray for pastors, who in the aftermath of COVID-19, are feeling exhausted

and overwhelmed. May the Lord bountifully provide resources for those in need.

### Day 7 - Saturday:

Please pray all BRN churches would experience a God-sent revival, representing a Kingdom Vision of worship with every tribe, tongue, and nation.

### Day 8 - Sunday:

Just as Lottie Moon gifts support international missionaries, and Annie Armstrong gifts support North American missionaries, the PA/SJ Missions Offering supports mission efforts right here at home. Please pray God gives grace and favor to the BRN team members who work daily to assist churches in these local mission efforts.
