## SECTION IV REPORTS

#### **EXECUTIVE BOARD REPORT**

2016 was a time of unprecedented change and transition for our convention with the retirement of our Executive Director-Treasurer, Dr. David Waltz.

The Executive Board was privileged to be able to honor Dr. Waltz for his many years of service as the Executive Director-Treasurer (EDT) at the February board meeting. At the same meeting the Executive Board also appointed and tasked the Executive Director-Treasurer Search Committee with finding the new Executive Director for our convention. The members of the appointed Search Committee were: Dr. Kim Grueser, Rev. K. Marshal Williams Sr., Rev. Brian King Sr., Rev. Buff McNickle, Mrs. Helen Paz, Mrs. Jennifer Musser and Rev. Robert Conrad.

At the recommendation of the EDT Search Committee the Executive Board approved a revised job description for the open position of Executive Director-Treasurer.

The board addressed the usual work of managing properties, reviewing financial statements, developing and approving a budget for the next year (2017) as well as normal administrative operations. We also approved a new Cooperation Agreement with NAMB.

The Executive Board was regularly updated on the progress being made by the EDT Search Committee. The board was also regularly updated on overall function of the BRN by Dr. Stan Smith as Interim Executive Director-Treasurer.

At the November meeting the Executive Board had the privilege to honor Dr. Smith for his many years of service to our convention in anticipation of his upcoming retirement upon the future hiring of a new Executive Director-Treasurer.

Respectfully submitted, Rev. Robert Conrad Executive Board President

#### DISASTER RELIEF REPORT

## Kenton Hunt State Director of Disaster Relief

Kenton Hunt began his role as Disaster Relief Director for The Baptist Convention of Pennsylvania/South Jersey on Jan. 1, 2016. The following are highlights of the calendar year 2016:

- 120 volunteers received basic DR training in Feeding, Chain Saw, and Flood Recovery
- 8 volunteers have received Chaplaincy Training
- 135 volunteers have been deployed to 3 in-state responses, and to 4 out-of-state responses

In Pennsylvania, mud out/rebuild work has been done in Clearfield, Connellsville, and Lycoming County (flooding). Out-of-state deployments were to Michigan (rebuild), West Virginia, Louisiana (flood recoveries) and North Carolina (feeding) and South Carolina (chainsaw-damage from Hurricane Matthew). One of the most unique responses was initiated by two young boys from Ezekiel Baptist Church in Philadelphia, PA. They led their church to raise money to send pallets of bottled water to Flint, MI (water crisis).

Kenton has had opportunity to build a working relationship with collegiate ministries from Penn State, Lock Haven, and Clarion University. These schools sent students to Warren, MI in May to participate in Southern Baptist Disaster Relief Rebuild efforts.

As a result of all of these disasters, the gospel has been presented in each situation to the people who were served. Volunteers prayed with all of them as well. We know that three disaster victims, and a college student came to faith and have been connected to a local church for discipleship. We praise the Lord for such opportunities to further the Kingdom of God!

Kenton and Craig Campbell continued to work directly with the New Jersey and Pennsylvania Offices of Emergency Management to help each state develop their mass care plan in case of future disasters. Also, in September, twenty DR volunteers participated in an exercise with The Federal Bureau of Prisons in Fort Dix, NJ. The Feeding Unit was deployed, and volunteers experienced hands-on training as they cooked and served meals to federal law enforcement.

#### Kenton has also been able to:

- develop the Ready Church concept, and has begun presenting this to pastors/churches so they are ready to respond to needs in their communities;
- serve as construction coordinator for the new shower/laundry unit being built for the Baptist Association of Southwestern PA;
- develop plans for a fuel trailer and a kitchen support trailer, and acquired a pressure washer trailer from the West Virginia Baptist Association; and

- enlist Mark Sentell (BRN Director of Communications) to develop our own Disaster Relief on-line communication system which streamlines training promotion and registration, response notifications, and volunteer engagement.

Please keep Disaster Relief efforts in your prayers. It is a wonderful ministry that brings light into darkness and Good News into very bad situations.

Respectfully submitted by:

Kenton Hunt

#### **BAPTIST BUILDERS REPORT**

Report given by Doug Lesher

The year 2016 saw a significant upturn in the number of volunteers we have been able to muster for Baptist Builders projects. The largest project was the rebuilding of the basement of the Haitian Evangelical Baptist Church in Philadelphia. The basement of the church suffered severe water damage. The complete floor had to be removed including the tile, wood underlayment, and cement base. The cement had to be broken up, leveled with limestone and repoured before the new tile could be installed. The limestone was shoved and wheeled by hand. Leveling was aided by a new laser level Baptist Builders were able to acquire. One of the Church members is a contractor and he acted as the project manager for the project. The project took several months and was aided by numerous work crews from as far away as west central and northeast Pennsylvania. Church members worked tirelessly even when the additional teams were not available. Youth pastors brought teens to work on the project. Workers who came from afar were treated to some excellent food by the ladies of the Church. Church members have since reached out to help with other Baptist Builder projects. Yes, this is the way it works!

We have also acquired a box trailer to use on these projects and to augment the Disaster Relief feeding unit. This trailer is available for use in all types of mission work when not used in BB work. Thompsontown Baptist Church is caretaker of the trailer. Contact Ernie Pyle if you would like to use the unit. Operators must have a commercial driver's license.

Baptist Builders will provide workers and their tools for projects. Churches will need to provide the building materials and special equipment such as lifts or cranes. The year 2017 promises to be even better with several new projects planned, including two roofing jobs and some additional work on the State Office building.

### APPALACHIAN REGIONAL MINISTRY Annual Report 2016

Across the Appalachian Mountain range and the Mississippi Delta region, Southern Baptists have been busy living out their faith through meeting the enormous physical and spiritual needs of persons living within the respective regions. Their impact can be seen from the hollows in Appalachia to the rural areas of the Mississippi Delta through changed lives, the hungry fed, the naked clothed, and thirsty given a drink.

"For I was hungry and you gave me something to eat; I was thirsty and you gave me something to drink; I was a stranger and you took me in; I was naked and you clothed me; I was sick and you took care of me; I was in prison and you visited me." (Matthew 25:35-36 CSB)

In 2016, through **Appalachian Regional Ministry** (ARM), 83,251 short-term mission volunteers (STMV) were mobilized, serving on 767 projects and seeing 5,551 people make a profession of faith in Christ with 3,964 churches involved in sending STMV. Also, donated funds of \$99,723.48 were sent to churches and compassionate ministry sites primarily to feed hungry children.

In 2016, through the **Mississippi River Ministry** (MRM), 16,657 STMV were mobilized working on 121 projects and seeing 667 people make a profession of faith in Christ with 557 churches involved in sending STMV. Also, donated funds of \$8,790 were sent to churches and compassionate ministry sites to feed hungry children.

The **Send Relief Christmas Backpack** emphasis experienced an exciting year as 53,589 Christmas Backpacks were collected and distributed, resulting in 1,531 persons making a profession of faith and 3,573 churches involved in the process. In addition to the Appalachian Region and the Mississippi River Delta Region, backpacks were delivered to New York City as we began working with Graffiti Ministries. The key state conventions involved in 2016 with collecting the Christmas Backpacks were Alabama, Georgia, North Carolina, and Virginia (SBCV).

The goal for 2017, is 65,000 Christmas Backpacks. This year, in addition to the above state conventions, Kentucky, Louisiana, Ohio, and South Carolina are joining with us in what has become a grassroots driven ministry. The Kentucky Baptist Convention has targeted Cincinnati, OH as a focus for their Send Relief Christmas Backpacks. Also, this year the Georgia Baptist Mission Board will include in their distribution, two of the South Georgia Baptist Associations where poverty levels among are high. The initial request is for 7,000 Christmas Backpacks.

The **ARM Mailbox Bible Club** (MBC) continues to progress through the changes implemented in 2014 when we intentionally started the process of moving the MBC back to the local church. The **MBC hosted by First Baptist Church,** Mary Esther, Florida continues to focus on incarcerated men and women, primarily those in state prisons. This past year a dedicated group of ten volunteers processed 18,538 lessons in correspondence with 601 prisoners. As a direct result of the lessons, sixty-five students trusted Christ as their Savior. Please read their attached report.

The MBC hosted by Cross Lanes Baptist Church, Cross Lanes, West Virginia continues to experience exceptional growth with 2,426 persons signing up for their first lesson and an active enrollment of 724 individuals. This MBC received requests from 40 states with Georgia, Kentucky,

Louisiana, Mississippi, North Carolina, Tennessee, Virginia, and West Virginia having the highest level of participation. During 2015, this MBC issued 330 Certificates of completion to students who had completed a course of study at a second or third level Bible study.

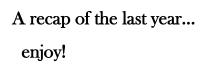

We assume those requesting the correspondence Bible lessons have already made a profession of faith, but nothing is taken for granted, so the first lesson series walks the student back through the plan of salvation to make sure that they understand the gospel. Last year, 39 students, because of the lesson materials made a profession of faith.

The two MBC utilizes 18 volunteers who meet weekly to read the letters, pray over the students, grade their lessons, and send them a new lesson. Since 2014, 706 students have completed their first course of study and received a God's Word Translation of the Bible. Also, hundreds of paperback editions of the God's Word Translation Bibles were mailed to prisoners who completed their first Bible lesson series. The non-prisoners received a Duravella leather edition.

The work of the MBC continues as servants to the compassionate ministry sites and local Southern Baptist churches, working in cooperation with the state conventions and local Baptist associations. We are grateful to Southern Baptists and their support of the Cooperative Program and the Annie Armstrong Easter Offering.

## Examining where we are and where we want to go:

We brought on Mark Sentell as the BRN Director of Communications. He redesigned the website, introduced BRNUnited (weekly enewsletter), and created communications tools for emerging BRN ministries.

The BRN hosted three Prayer Boot Camps, led by Claude King, training over 100 people in PA/SJ.

Healthy Churches Consultants hosted Pastors Cluster groups to pray together, encourage one another and strengthen skills.

We consulted with churches in their pastoral search and relocation processes. We were also instrumental in offering an Intentional Interim training.

Kathy Sheldon, Pam Smith and the PA/SJ WMU ministry leaders began an 18-month strategic planning process.

We developed, produced, and distributed State Missions emphasis materials to BRN churches.

Robert Turner worked with his Collegiate Ministries Team to create BRN Next (a new brand).

### Missional Engagement:

We expanded the role of SBC Disaster Relief in PA/SJ by bringing on Kenton Hunt as a full-time Director of Disaster Relief.

We held Three Circles Evangelism training in five locations.

Through hands-on missions experiences, missional community immersions and one-on-one consultations, Missional Living Catalysts served a combined total of 78 BRN churches, leading them to take their next step—as defined by the church and their context—on

We held eight VBS Workshops across PA/SJ, training 300 leaders for VBS.

## **Multiplying Churches:**

We hosted DCPI training for pastors from churches and church plants, teaching them how to multiply successfully.

Twenty-five percent of our churches are new plants since 2010.

We expanded the assessment process of church planters across PA/SJ.
