Welcome

We're so glad that you've come to Harrisburg, Pennsylvania, for the 49th Baptist Resource Network Annual Meeting!

I'm excited that we're all gathered together in this place to celebrate 49 years as a network of churches from all across Pennsylvania and South Jersey. We have much to share and rejoice about at this meeting concerning the things that God has been doing. My main goal as your Executive Director at this gathering is to communicate these awesome things God has been doing. I hope and pray that you will be both refreshed and challenged as we spend these days together.

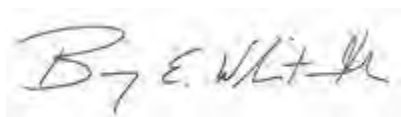

Our theme during this year's gathering is "Kingdom Expansion." We'll be focusing in on Acts 1:8 to be challenged in becoming a people who are "empowered to go" and be witnesses to the ends of the earth in the power of God.

This year, the three general sessions will each have a theme: *Empower our Hearts - Intentional Discipleship, Engage Our Neighbors - Missional Engagement, and Expand Our World - Leadership Development.*

- Dr. Kevin Ezell, president of the North American Mission Board (NAMB), is our keynote speaker. Dr. Ezell provides strategic vision, direction, and leadership as NAMB works to help Southern Baptist churches send the hope of the gospel to North America.
- Panel discussions on racial reconciliation, church multiplication, and millennial ministry will take place during the general sessions. These panels will show you just how far the BRN has come in the last year and what we are doing to expand the Kingdom as we move forward.
- Nine breakout sessions are offered to help you grow. We're also offering a prayerwalking experience for anyone who would like to learn how prayerwalking can be an effective way to pray for communities to come to know Christ. Please wear your walking shoes because you'll head out into the community for this session.

My greatest desire at this meeting is to see a group of people celebrating and enjoying the uniqueness of our Christian family. This is the one time of the year that we, as God's people, can come together and celebrate God's work among our network of 311 churches. May God do something special to draw us closer to Him and to one another. When we close our time together, may we all be more determined to bind together to make more noise for Jesus so that He can be made more and more famous. Jesus promised us, that "if I be lifted up, I will draw people unto myself (John 12:32)." May His Kingdom be expanded!

Your Missionary to PA/SJ,

The Baptist Resource Network's SPIRITUAL HEALTH ASSESSMENT

A Customized Approach Toward Healthiness

The Baptist Resource Network of PA/SJ Spiritual Health Assessment (SHA) Tool has been designed to assist the local church to measure the current status of its health as it relates to the practice of three key biblical behaviors: Missional Engagement, Intentional Discipleship, and Leadership Development. These biblical behaviors are associated with and symptomatic of growing and vibrant healthy churches. The SHA tool will help you determine a church's present health condition as it relates to these behaviors.

If you and your church are interested in taking the SHA, email the BRN at helpdesk@brnunited.org, and we'll connect you with a team member who can help.

Prior to coming to NAMB, Kevin served as senior pastor of Highview Baptist Church in Louisville, Kentucky, for 14 years. He and his wife, Lynette, have six children, Anna, Shelly, Taylor, John Michael, Libby, and Micah Lyn. The Ezells are also blessed with four grandchildren.

George Tynes, *BRN Convention President; Pastor, Truth Baptist Church, Philadelphia, Pennsylvania*

Pastor George Tynes, founder and pastor of the Truth Baptist Church of Philadelphia, has been married for 38 years to Thea L. Tynes. They are the proud parents of Richard (Enjulee), Valen (Leroy), and George. They have ten wonderful grandchildren. He is a graduate of Eastern University, where he earned a bachelor of science degree in business administration and a bachelor of arts degree in religion. He finished half of his master's degree from The Southern Baptist Theological Seminary in Louisville, Kentucky, before transferring to Bakke Graduate University, where he earned his master of theological studies degree. Currently, he is pursuing a doctoral degree at The Southern Baptist Theological Seminary, where he expects to graduate in December 2020.

Tynes is currently the BRN convention president. He previously served the convention as the 2nd vice president from 2014-2016 and the 1st vice president from 2016-2018. He also has served the SBC as a trustee from 2009-2019 and as part of the executive committee from 2017-2019 for Southwestern Baptist Theological Seminary. Before his calling as Executive Director of the Baptist Resource Network in February 2017, he was a church planting missionary and served the Multiplying Churches Team Leader for the BRN.

Barry, who has planted churches and served on church staffs in Pennsylvania, New York and Maryland, says his passion is the local church -- to assist and encourage the churches in "reaching the lost [and] discipling the saved." He seeks to help Pennsylvania/South Jersey Baptists "decrease lostness," "push back darkness" and "have an impact in our generation for such a time as this."

Brad Wingler, *Lead Pastor, Edinboro Community Church, Edinboro, Pa.*

Brad Wingler serves as the lead pastor at Edinboro Community Church. He is married to his wife, Jill. They have three children: JP, Haddon and Cindy. Brad holds a doctor of ministry from Southeastern Baptist Theological Seminary with a focus on disciple-making. In his free time, Brad enjoys running ultra-marathons through the trails of Pennsylvania.

Breakout Speakers

Rob Wilton, *SEND Pittsburgh Missionary, North American Mission Board; Pastor, Vintage Church, Pittsburgh*

Rob Wilton is a multi-city movement leader for Christ. He is the founding pastor of Vintage Church, Send City Missionary for the Send Network, North American Mission Board, and the chaplain for the New Orleans Saints. Although his family is from South Africa, Rob was born and raised in New Orleans, where he met Jesus. Upon moving to the Carolinas for high school and college, he answered the call to ministry and married his high school sweetheart, Annabeth. Together, they returned to New Orleans for seminary and to serve the city before and after Hurricane Katrina. In New Orleans, they welcomed four beautiful children into this world: Bolt, Mack, Birk, and McCall. After Hurricane Katrina, Rob planted Vintage Church, which has reached hundreds for Jesus and he also became the New Orleans Saints chaplain. After a decade of ministry, the Lord called Rob to plant another Vintage Church in Pittsburgh. In less than a year, Vintage Church Pittsburgh launched with hundreds of people in two different locations. Rob has a master of divinity degree and a doctor of ministry degree. He loves to travel, play golf, and hang with his family and close friends.

Davis Younts, *Attorney, Crisp and Associates, LLC*

Davis Younts is an experienced trial attorney who has dedicated his legal career to defending the rights of individuals facing criminal charges. Before joining Crisp and Associates, LLC, Younts served as an Active Duty Air Force Judge Advocate General (JAG) for more than ten years and as the senior legal advisor for The Adjutant General of the Pennsylvania National Guard. Younts has litigated more than 50 jury trials and represented hundreds of military members facing courts-martial, Article 15s and other military adverse actions. His skill and success led to his recognition by the United States Air Force as the number one senior counsel in the world in 2011. He has represented clients all over the United States and around the world.

After a successful deployment as an Expeditionary Wing Staff Judge Advocate in Operation Enduring Freedom, Younts was selected to be the Chief of the Military Justice Division at the Air Force Judge Advocate General's School. As the Chief, he was the senior attorney responsible for designing curriculum and implementing the Air Force's criminal law and trial advocacy training program. He supervised eight criminal law and trial advocacy instructors and provided instruction to attorneys in 54 courses attended by 2,900 students annually. Younts continues to serve as a reservist in the Air Force and was selected to be a member of the Air Force Training by Reservists in Advocacy and Litigation Skills team (TRIALS). The TRIALS program provides cutting edge trial advocacy training to JAGs from all branches of the military. Younts holds a bachelor of science degree, Summa Cum Laude, from Liberty University; a Juris Doctor degree from Dickinson School of Law of the Pennsylvania State University; and a masters of military operational art and science degree from Air University.

Breakout Descriptions

Note: Please refer to the Breakout Session Notes in the Appendix

Thursday Lunch Breakout Session (10:15 a.m.-11:30 a.m.):

Discipleship or Disciple-Making, David Ludwig, Keystone D

To make the greatest impact in our mission, we have to make disciples who make disciples. In other words, we must shift our focus from making disciples to making disciple-makers. David Ludwig will share a useful framework that will enable us to shift from an addition to a multiplication mindset.

Reaching Gen Z in a Post-Christian Culture, Robert Turner & Kim Carson, Keystone C

Understanding young adult and student culture is an ongoing challenge. Those of us who work with students have to continuously be students of these younger generations, as what worked in the past won't necessarily work now and will need to be re-thought for the future. Come learn of some of the distinctives of Gen Z, the generation that is just now entering their college years.

Who's Your One?, Rob Wilton, Keystone E

Who's your one? Imagine if every member of your church could answer that question with the name of a person. How would it change your community? We have tools to help you inspire and equip your congregation to be on mission.

Prayerwalking Experience, Michael Nerger, Keystone B

We will have a short overview of what prayerwalking is and how it can be effective, followed by a nice walk into the surrounding community to pray for people to come to Christ, a potential church planter, and other prayer concerns we see along the way. Please dress accordingly and put on your walking shoes, because we are going prayerwalking!

Thursday Lunch Breakout Session (12 p.m.-1:15 p.m.):

8 Million Stories: Which Comes First – Stories or Brand? Brandon Pickett & Shannon Baker, Keystone C

God has given you and your ministry unique stories of His grace and purpose. Your job is to discover your church's storyline. How you tell the stories of your ministry directly impacts what people think and believe about your ministry. Learn how to spot those stories and tell them in a way that causes your community to stop and listen.

Ask Me Why I am Not in Church, Larry Anderson, Keystone D

Based on strategies in the book of the same name, written by Pastors Larry Anderson and Kyle Canty, this training offers pastors, leaders and individuals the opportunity to be equipped in training congregations to consistently reach their context.

Leadership Pipeline, Brad Wingler, Keystone E

Your church can never grow beyond your current level of leadership. Does your church need a better process for multiplying disciples, ministries and leaders at all levels? This breakout will seek to add clarity to your leadership development, discipleship growth, and overall church vision.

Friday Breakfast Breakout Session (8 a.m.-9:15 a.m.):

Abuse Prevention Policies and Practices, Davis Younts, Keystone C

Drawing on eighteen years of experience, Attorney Davis Younts will lead a discussion-oriented breakout session on the prevention of abuse in churches. Attendees will be led through a series of questions using real world case studies. The session is designed to raise awareness and provide practical guidance to church leaders.

Leadership Pipeline (repeat), Brad Wingler, Keystone B

Your church can never grow beyond your current level of leadership. Does your church need a better process for multiplying disciples, ministries and leaders at all levels? This breakout will seek to add clarity to your leadership development, discipleship growth, and overall church vision.

Reaching Future Generations Think Tank, Barry Whitworth & Robert Turner, Keystone D

In a participant-led discussion, Barry Whitworth and Robert Turner will examine what it takes to share Christ effectively with a generation not entirely impressed by today's church.

Please Note: A prayer room will also be available in Keystone A for the duration of the meeting.

2019 Constitution & Bylaws Committee Report

Given at the Annual Meeting, November 7-8, 2019

Upon review of the current BRN Constitution & Bylaws from BRN legal counsel, the 2018 Constitution & Bylaws Committee worked diligently to process much needed revisions. The goal of the committee was to have a Constitution & Bylaws document that could be a foundation for the BRN for many years to come. The committee made revisions that are up-to-date with current laws concerning non-profits, revisions to streamline the BRN operations, and revisions to clearly articulate when the BRN Policies & Procedures Manual will be the guide for the BRN administrative and operational duties. It has been available through the BRN website over the last year, however, if you desire an electronic copy of the proposed Constitution & Bylaws document, refer to annual.brnunited.org.

The committee presented the proposed changes to the 2018 Executive Board, who has endorsed and are in support of the changes. Per our current Constitution & Bylaws, all changes were made known at last year's Annual Meeting. Opportunities were given to churches to present questions over this past year.

The Committee brings a motion to approve the proposed Constitution & Bylaws as presented.

Respectfully Submitted,

Bob Conrad, Chairman

BRN Women

~

Discipleship Leadership Missions

At the BRN it is our hope to be able to help women thrive in the ministry God has placed them in according to His plan: to disciple, lead and missionally engage others. The ministry of BRN Women includes leaders in the local church, pastor's wives, and all women on mission for His Kingdom.

It is an exciting time at the BRN! We are working to develop a strong network among women who have a heart to share the gospel and live out the calling of God upon their lives. Through working with each other, we can find strength and inspiration among God's family for ministry.

We are here to help you thrive in your home, community, workplace and church as you live out your mission and share God's glory! BRN Women also can link you to resources that are available through our network and our SBC partners to help enhance you personally and for ministry.

We are working hard to develop and expand this ministry to women across the BRN and we hope that as we network together, we will see God glorified and hope thrive through our testimonies.

**Statement and Encouragements to BRN
Churches Regarding Abuse of Minors and
Vulnerable Adults**

**Constitution and By-Laws:
The Baptist Resource Network of
Pennsylvania/South Jersey**

Breakout Session Outlines

STATEMENT AND ENCOURAGEMENTS TO BRN CHURCHES REGARDING ABUSE OF MINORS AND VULNERABLE ADULTS

The Baptist Resource Network of Pennsylvania/South Jersey (BRN) makes the following statement in support of the prevention of abuse and for the protection of minors and vulnerable adults. As an organization we recognize we have no authority over any church however it is our intention to encourage all churches affiliated with the BRN to be in full compliance with state law and diligently guard those whom God has given us for the purpose of ministry.

We believe that this is imperative to protect all people including minors and vulnerable adults as we work to advance the Kingdom of God. For we are all created in the image of God.

*So God created man in his own image, in the image of God he created him; male and female he created them.
Genesis 1:27 (ESV)*

Abuse is traumatic and can cause physical, emotional, and spiritual damage that can carry through generations. Abuse can destroy family and church relationships. Churches must take affirmative steps to protect the vulnerable and care for those who have been affected by abuse. If we are to follow in the steps of Jesus and his ministry, we cannot look away from the sin of abuse and those affected.

*The Spirit of the Lord is upon me, because he has anointed me to proclaim good news to the poor. He has sent me to proclaim liberty to the captives and recovering of sight to the blind, to set at liberty those who are oppressed.
Luke 4:18 (ESV)*

PREVENTION/PROTECTION

Churches are encouraged to develop and implement a plan to prevent abuse of minors and vulnerable adults within the ministries of the church.

1. We encourage churches to practice regular (annually at a minimum) reviews, updates, or if none exist to creating worker policies and guidelines for all staff, church leaders, and youth/children volunteers.
2. We encourage churches to take the initiative and advocate for comprehensive screening processes for all staff, church leaders, and youth/children volunteer workers to address such things as:
 - Establishing a system to ensure full compliance with all applicable state and federal laws.
 - Ensuring all background checks are completed as required by state law.
 - Understanding the need for a written application.
 - Linking to and utilizing the U. S. Department of Justice National Sex Offender Public Website posted on the Sexual Abuse Prevention page on SBC.net and to viable public databases of sexual offenders in a church or ministry setting as they may be developed.
 - Implementing at least a six-month rule of association/membership before service and participation begins in a ministry position.
 - Conducting personal interviews with applicants.
 - Researching prior church membership and volunteer work, especially with minors.
 - Conducting internet research for potential news stories containing allegations of sexual misconduct for any potential staff member or volunteer.
 - Discovering when and how to check references.
3. We strongly encourage churches to conduct local and national criminal background checks, and where appropriate, child abuse background clearances as required by state law for all staff, church leaders, and youth/children volunteer workers. This practice should be included as part of a plan to protect children
4. We encourage churches to implement a two-person rule of supervision. This practice, designed to protect minors from abuse and workers from accusation, calls for at least two, non-related adults who have successfully completed the screening process to supervise minors at all times, whether on or off the

premises, in rooms, vehicles, or other enclosed spaces. In situations where the two-person rule is impossible or impractical, alternatives (such as a floating observer) should be considered.

5. We encourage churches to develop policies regarding digital and electronic communication. Communicating with minors, especially with youth in the digital age (text message, email, communication apps, and social media) is common among youth pastors and other staff that work with children and youth. Such policies will help set boundaries for both the adults and minors involved.
6. We encourage churches to develop policies or statements of affirmation which could include the following:
 - Affirming the 2000 *Baptist Faith and Message* with a specific reference to Article XV, or a clear statement denouncing all forms of abuse.
 - Requesting an endorsement of the local church for any church member asked to participate in any leadership or volunteer role in the BRN and disclosure by the church of any negative criminal/child abuse background checks about that person.
 - Reporting criminal sexual misconduct to the proper legal authorities as required by law.
 - Relieving temporarily persons accused of sexual misconduct from leadership and service positions pending a thorough investigation and review of the circumstances.
 - Communicating honestly and transparently with any church or association attempting to conduct a background check and disclosing information about any person accused of abuse who left before a resolution of the charge occurred.

AWARENESS/EDUCATION

Churches are encouraged to proactively implement a plan to educate and raise awareness of the seriousness of abuse within the ministries of the church.

7. We encourage churches to proactively educate workers/volunteers about the seriousness of abuse and provide resources to enable a church to protect minors and vulnerable adults.
8. We encourage churches to provide or facilitate localized and ongoing training for all staff, church leaders and youth/children volunteer workers in preventing, recognizing, reporting, and dealing with abuse.

MINISTRY CARE/HEALING

Churches are encouraged to proactively implement a plan to minister and care for those affected by abuse.

9. We encourage churches to work with ministry partners equipped to aid churches who experience abuse situations in handling these incidents with integrity, compassion, transparency, and in accordance with the law. These teams or external ministry partners may also seek to facilitate opportunities for on-site Christian counselors to minister to the church on a case-by-case basis.
10. We encourage churches to develop a plan for ministering to sex offenders in the church by observing such things as the following:
 - Understanding what the spectrum of the term “sex offender” means.
 - Developing procedures, which provide accountability to the offender/abuser and safeguards for all members, especially children and vulnerable adults.
 - Creating a covenant between the offender and church leadership that defines the boundaries of participation, allowing church leaders to apprise others in the congregation as necessary, permitting church leaders to contact probation officers and others assigned to work with the offender and state consequences if the covenant is violated, such as being prohibited from attending church or accessing church property.
 - Designating one or more accountability partners to assist the offender in not yielding to temptation.
 - Restricting any contact with minors or vulnerable adults.

REVIVE! Christ and His Church

God has a purpose for every church. There is much that He wants to do through each church. However, it has been our experience that God gives each church and its leaders “crossroads moments” in their history where they must make decisions based on faith if they are to continue to be used to fulfill the purposes God has in mind for them. It has also been our experience that the current health of any church is a summation of the decisions made over many years.

BMI, in partnership with the North American Mission Board, is excited to bring **“REVIVE: Christ and His Church”** to the Pennsylvania/South Jersey Convention! Dr. Richard Blackaby and Dr. Mark Clifton will unpack several significant truths from the “Flickering Lamps” and “Reclaiming the Glory” books as well as from their extensive ministry with pastors and churches.

We will begin at 9 a.m. (registration at 8:30 a.m.) and conclude at 3 p.m. The cost of \$10 includes lunch and the two featured books.

Whether your church is experiencing positive spiritual health or finds itself struggling, it is vitally important to be oriented to the Headship of Christ. We encourage you to set aside time to attend the entire gathering in September, determined to park your heart before God, allowing Him to speak to you in fresh and transforming ways. Bring several of your key leaders as well so that together, you can experience God’s heart for you and your church!

TESTIMONIES FROM PREVIOUS CONFERENCE ATTENDEES

- “The overwhelming response from the pastors was that they felt that every pastor in our association needed to hear what Richard Blackaby and Mark Clifton had to share. The Biblical challenge delivered by Richard Blackaby was powerful! The practical insights from Mark Clifton pertaining to the “nuts and bolts” of church revitalization was extremely insightful. The message of the Revive Conference is one that needs to be delivered to the church in North America!”
- “Revive, there couldn’t be a more perfect name for this one day conference. I came expecting to get some good information on how to revive my congregation, which I received, but I came away with so much more. I came away with my own soul being revived.”
- “The main thing I brought back with me from the conference was hope.”

You Called My Name

What a Beautiful Name

Call to Order and opening prayer.

President's Address:

Matthew 25:14-30. Gift of 5 talents gained 5 talents, 2 talents received 2 talents. But the one who received 1 talent was afraid and hid the talent. Be Faithful. God places a high value on us. We are important to him. Jesus reminds us that God prioritizes that we be faithful. What we do matters. Our witness is important to the world. We are valuable to His agenda.

1. Each one is given according to His ability. God likes to bless us. He gives gifts.
2. The Master's Expectation – He expected to do something with it. We must respond back with what He gives us.
3. The Master's Confirmation – The one with 5 got 5 more. Well done! The one with 2. Well Done. The one with one gave excuses. A lazy and unprofitable servant. He expected a return. The job of the Lord is a mystery. We have to be faithful regardless of what is happening around us. Just be faithful. With faithfulness comes suffering in this world but the glory will be revealed.

You could have at least got a partner. BRN is our partner. Cooperative Program is growing to give to new Church plants. Remain faithful.

Credentials and Enrollment Report – Tina Hill. There are 197 messengers registered. Motion to seat them and those messengers who subsequently register. 94 guests have registered. Reminder you must be a registered messenger to vote.

Shannon Baker is working hard to create a new website which will be rolled out during this Annual Meeting. Racial reconciliation meetings have been going on around the state. More to come during the other sessions. 4 Millennial roundtable discussions have taken place. BRN women gatherings were well attended. SEND Relief center in Pittsburgh opened 4 weeks ago. Remodeling of BRN Guest House and Volunteer House is moving forward with our partnership with the North Carolina Baptists. The Executive Board has worked hard this year to oversee this work. They have stepped up and met these challenges.

Budget proposal for 2020 – John Weathersby, Pastor of Transcend Church

Racial Reconciliation Panel: Larry Anderson, Kyle Canty, John Cope, Josh Crans, Hal Hopkins, Ezra Strickhouser, Joe Velarde

Larry Anderson talked about the background on starting the racial reconciliation talk. Creating a culture of opening up an avenue of freedom to talk. They are hoping that what has started in Philadelphia will move through the convention. Larry is meeting with other ethnicities in Philadelphia in hopes they will also be heard.

What has taken place in your heart, life, and church since you started this journey? The process to get to the solution will take walking alongside, listening, and praying together. Ask for forgiveness when necessary, standing in the gap. We will need to join in with an atmosphere of trust and ask tough questions. We are on mission, and trying to heal and progress. Not a one-off but a continuing mission. Listen and allow God to work in my own heart – John 13:35.

How has your preaching changed since you have been in this group over the last 2 years? Jesus' agenda does not lie on either political poll. Jesus' agenda is so much more appealing than either political agenda. Listen, listen, listen – our church becomes stronger. Hope 4 Philly is a collaboration with several churches across racial lines, which is allowing the church members to reach out and go to bible studies in the other churches, to want to continue to do ministry together. How do we collectively go bring hope to an area? Go make an impact in an area.

Multiplication Panel – John Velarde, Kyle Canty, John Cope, Kevin Ezell, Cliff Jenkins, Darius Nable, Ezra Strickhouser, Rob Wilton

John Cope – if we add we will never reach the world

Ezra Strickhouser – holding gifts and people He gives us.

Darius Nable – We are in the ministry to push out the lostness in the community

Kevin Ezell – NAMB – all for Multiplication. Acts 12, The Church of Antioch sent the people out and we have to be On Mission with the mentality of sending out.

Cliff Jenkins – Challenge: 75-80% of pastors don't have a mentor. Multiplication means you are a grandparent. Your children produce children. Someone needs to pour into you and you are not alone.

Kyle Canty – the church in North America believes there is no urgency and we don't realize we are post-Christendom. We can't continue as if nothing is wrong.

Multiplication is a culture, have your childcare worker develop a new leader who can go into a new plant. Every leader in your church needs to be developing new leaders in their ministry areas. Start small. Discipleship has to be a movement. When you pour into someone, they have

to pour into someone else. Multiplying Church has been a challenge. But it is definitely worth it. But you will lose some of your best people. Both sadness and joy in multiplying. NAMB assists with the planter pipeline and helps you with a plan if you don't have one. You have to have the mindset of go, not the mindset of stay. Planting won't always be successful, but you have to keep moving, keep going. We are living a story, you think you have an idea that it's all about you, but you realize it's all about Jesus. Multiplication is about Kingdom, not what you are trying to build. You are investing in something so much bigger.

Executive Director's Report – Dr. Barry Whitworth

Part 1

God has been doing a lot in the last past 3 years.

We have a great team. Connected with 100% of our churches. Over 4800 connections made so far and will pass 5000 by the end of the year. Also want to recognize our missions giving is still climbing. CP giving is up 13%. Less than 3 years ago you voted to increase CP giving by 4%. \$650,000 was given by PA/SJ Baptists to CP, Lottie Moon, State Missions and Annie Armstrong. We are approaching 50 years and hoping to break many records. Evangelism and ministry grants are up 40%. We want you to ask how you can go into the community and have resources to share the gospel. Spiritual Health Assessments up 50% this year. Shannon Baker, our Communications Director has been here little over a year. She enhanced the BRN United which is emailed each week. Your BRN Family tells about who we are as a family and helps new affiliates know who we are. Today brnunited.org went live. BRN Initiatives began a year ago. Racial Reconciliation; Disaster Relief; Collegiate: BRN Next; Multiplying Churches; Mobilizing Women; Expand the Kingdom and be empowered to go. Things are happening. Tune into BRN United to learn what is happening. Buff McNickle and Compassion Ministries is meeting the physical, practical, emotional and spiritual needs of the people. Thanks to Dr. Kevin Ezell, SEND Relief opened a center in Mt. Washington in Pittsburgh a few weeks ago. We are hoping to open a center in Strawberry Mansion through Mansion Hope in Philadelphia. Disaster Relief has completed over 150 projects. PEMA (PA Emergency Management Agency) provides resources that happen in PA through the VALOR program. They have asked BRN Disaster Relief to take their money and provide for Disaster Relief. NJ also rewarded Disaster Relief in the work in New Jersey. Thank you Kenton Hunt for your leadership in Disaster Relief. Cliff Jenkins, thank you for the work being done to be healthy multiplying churches. Joe Velarde, thank you for your work in multiplying churches. This year we brought back 22 pastors to be a network of pastors to be a part of the Multiplying Church Center network. Collegiate Ministry, thank you Robert for working in the Campus Ministries. Working with Ethnic churches to become healthy and multiplying. Thank you Dr. Larry Anderson. Beth working with mobilizing women in ministry and missions. Women can hit the street with the gospel, equip them to make disciples who make disciples. Thank you Beth. Dr Anderson and David Ludwig, through Healthy Churches, are out there with the 4 Regional Consultants assisting and encouraging our churches.

Dr. Phil Ginyard in South Jersey. Pastor Greg Drayer is out in the West. Pastor Cory Mitchell is our Central Consultant. Dr. Robert Fontell is in Philadelphia helping churches behind the scenes. Hub Staff is also working everyday behind the scenes. Help Desk, processing grants, provide daily to assist the needs of the churches.

Thank you BRN family for providing the resources which allows the team to do what they do to help you.

Part 2

In any given moment in life you have 2 options: Step forward in growth or step back in safety. Forward is the only option because of the evangelical need around us. The decisions I make are because there are 14 million lost people in PA/SJ. We are wired to function from the methods of the past. Religious “nones” are growing rapidly in our culture. The church is exhausting itself filling its pews. Why? Because they aren’t seeing something that is experiential. 80% of religious “nones” have already tasted church life.

2 ½ churches closes its doors every day. 5 BRN churches closed their doors this year. Churches close their doors because of their failure to reach the next generation. Emphasis on that statement. 1 Sam 15:23 Sometimes we pride ourselves on being stubborn. Stay true to what we’ve always practiced. Every church needs to figure out how to pass the torch. We don’t see that many things we do are based on man-made traditions and not on Jesus. Things have to change for the sake of lost souls.

What can we do to get the next generation involved? Embrace the work of sharing the gospel. We need to heed the warning that this is the reality. We need to connect with people who see that the church is irrelevant for today. Do not compromise our beliefs. Jesus isn’t the disconnect for the religious “nones,” the church and its practices is the disconnect. Churches need to live out John 1:14. J.D. Greear, “Truth without grace is fundamentalism or legalism. Grace without truth is liberalism.” We have to be balanced with both. Our current systems are perfectly designed to give us the exact outcome we are getting today. The next generation is not going to wait their turn. In many ways, things are very broken, but we have time to fix what is broken.

1. Be honest about where you are. Admit we need change.
2. Pray about God’s wisdom. The whole church, not just the pastor.
3. Do a spiritual health assessment.
4. Do something about the results of assessment.
5. After health assessment, do something before it’s too late.
6. Give it back if you can’t do anything. Pass it on, don’t let it die. Let the King have it back.

Challenge:

To close out our 50 years and be seriously committed to the process. This is the 10/5 Challenge. 50 churches as we complete our 50 years. 10 churches in 5 arenas to step forward and do something they haven’t done before.

- 10 Churches that need to be revitalized to become a healthier church. Work with Dr. Larry Anderson.
- 10 Churches to step forward to start a church. Work with Cliff Jenkins or Send City Missionaries, Kyle Canty and Rob Wilton.
- 10 churches to commit to expanding compassion ministry. Work with Buff McNickle.
- 10 churches to be involved in Campus Ministry. Work with Robert Turner.
- 10 churches becoming involved with partnership in Bogota, Colombia. Work with Barry Whitworth & David McNeill, IMB missionary in Colombia.

It's not a cure all or medical treatment, but to inspire more churches to reach more people for Christ. We've got to be proactive.

We need to step up our game. Be the best we can be for Jesus. Not just in our activity for the gospel, but our witness for the gospel. How authentic we really are. The world is watching to see how we will mess up. Church autonomy is truly a gift, but it is not a license to sin. Autonomy without accountability is absurdity, it is toxic. This body, the BRN as an autonomous organization, will not tolerate any abuse towards children and vulnerable adults. Churches that have not complied with state laws for the safety of children will not be accepted for affiliation and those who are affiliated and have not complied will be removed from affiliation. We have the greatest opportunities before us. We have to reach out to future generations. Step out so we can all step up. May we be known and seen as a people full of grace and the truth of Jesus Christ. We will step forward and not back. Let's make a difference for Him.

Carabiners were on everyone's chairs when they entered the room. Pray with the person next to you to give you a heart to go above and beyond to reach the 14 million lost for Jesus Christ. That we can do things different to reach a lost, dying, separated generation for Christ. Prayerlink – broke up into groups to pray.

SBC Executive Committee Report – Curtis Cook

Dr. Floyd has desire for each person to reach people for Christ. We can labor to bring a lasting change to our convention.

5 keys:

1. Living and breathing gospel urgency.
2. Empowering all churches, all generations, all ethnicities, and all languages.
3. Telling and celebrating what God is doing.
4. Loving others like Jesus loves.
5. Prioritizing, elevating, and accelerating generosity through the Cooperative Program.

Our vision is to reach every person for Jesus Christ. There are people who have no gospel access in their own language. We want everyone in every language to hear the gospel. It is through the shared use of the Cooperative Program that we can do so much more together. Celebrate and elevate the Cooperative Program in your church. \$196.5 million is the allocation budget for 2019-2020. Thank you for your sacrificial giving. June 9-10, 2020 will be the SBC Annual Meeting in Orlando, Florida.

It is Well – Acapella

Millennial Ministry Panel – Barry Whitworth, Steve Marfia, Alex Hanevich, Autumn Miller, Jay Francoeur, Kayla Smith, Bao Pham

Misconceptions and realities: Millennials are accused of not respecting authority – misconception is that you assume authority because of your age, position, or level of learning. You need to prove that you love us and that what you say aligns with what is actually happening.

Misconception is that we are lazy – we love to learn and love to have someone to learn from. We were told that we can do anything, but we need to find what we are passionate about before we will be passionate about anything.

Positive ways people are impacting the world: Forcing church to ask questions and transforming the church. Watching the generation overcome barriers in gospel conversations.

What does the church need to come to grip with the unchurched millennial culture? The average Millennial doesn't understand Christian vernacular. They have no background in church. As culture gets farther away from Christ, the church creates wall that a Millennial will not step over. We need to go to them. We need to have categories of expressing the gospel to express the brokenness of sin that they can understand.

Practical advice to the church today: We are young and opinionated and we like change. Love us, be patient with us. We care and we see things in a different way. Find an unchurched person and ask them what you are saying sound like to them. We need support between generations.

Traditions of past cannot be used today. They are open to God, open to Jesus, just not “the church.” Missiology drives ecclesiology. Once you gain a clear vantage point of the culture you can construct an ecclesiology of the mission field. The culture of America has shifted and we live in a mission field. We've asked them to be the missionaries instead of being the missionaries to them. Churches close because of their failure to reach the next generation. We need to create an environment for our future.

Executive Board 2019 Report

Thank you for the trust and support given to us this past year. The staff has been productive. The BRN training center has been a great asset that has been used over 25 times this year and allows training to be accessed via the internet as well as in person. The BRN team has connected with 100% of our churches over the past year.

The Spiritual Health Assessment tool usage has doubled over the past year. 117 Evangelism and Compassion ministry grants have been given to our churches in 2019. Shannon Baker the Director of Communications is working hard to create a new website which will roll out during this Annual Meeting.

Racial reconciliation meetings have been going on around the state. More information on those meetings will be given during the Annual Meeting sessions. 4 Millennial Roundtable discussions have taken place throughout the state this year. BRN Women gatherings were well attended. The Send Relief center in Pittsburgh opened 4 weeks ago.

We are moving forward with remodeling the BRN Guest House and Volunteer Mission House in partnership with the North Carolina Baptists.

The Executive Board has worked hard this year to oversee all of this work. They have stepped up and met these challenges.

Statement and Encouragements to BRN Churches Regarding Abuse of Minors and Vulnerable Adults

STATEMENT AND ENCOURAGEMENTS TO BRN CHURCHES REGARDING ABUSE OF MINORS AND VULNERABLE ADULTS

The Baptist Resource Network of Pennsylvania/South Jersey (BRN) makes the following statement in support of the prevention of abuse and for the protection of minors and vulnerable adults. As an organization we recognize we have no authority over any church however it is our intention to encourage all churches affiliated with the BRN to be in full compliance with state law and diligently guard those whom God has given us for the purpose of ministry.

We believe that this is imperative to protect all people including minors and vulnerable adults as we work to advance the Kingdom of God. For we are all created in the image of God.

So God created man in his own image, in the image of God he created him; male and female he created them.
Genesis 1:27 (ESV)

Abuse is traumatic and can cause physical, emotional, and spiritual damage that can carry through generations. Abuse can destroy family and church relationships. Churches must take affirmative steps to protect the vulnerable and care for those who have been affected by abuse. If we are to follow in the steps of Jesus and his ministry, we cannot look away from the sin of abuse and those affected.

The Spirit of the Lord is upon me, because he has anointed me to proclaim good news to the poor. He has sent me to proclaim liberty to the captives and recovering of sight to the blind, to set at liberty those who are oppressed.
Luke 4:18 (ESV)

PREVENTION/PROTECTION

Churches are encouraged to develop and implement a plan to prevent abuse of minors and vulnerable adults within the ministries of the church.

1. We encourage churches to practice regular (annually at a minimum) reviews, updates, or if none exist to creating worker policies and guidelines for all staff, church leaders, and youth/children volunteers.
2. We encourage churches to take the initiative and advocate for comprehensive screening processes for all staff, church leaders, and youth/children volunteer workers to address such things as:
 - Establishing a system to ensure full compliance with all applicable state and federal laws.
 - Ensuring all background checks are completed as required by state law.
 - Understanding the need for a written application.
 - Linking to and utilizing the U. S. Department of Justice National Sex Offender Public Website posted on the Sexual Abuse Prevention page on SBC.net and to viable public databases of sexual offenders in a church or ministry setting as they may be developed.
 - Implementing at least a six-month rule of association/membership before service and participation begins in a ministry position.
 - Conducting personal interviews with applicants.
 - Researching prior church membership and volunteer work, especially with minors.
 - Conducting internet research for potential news stories containing allegations of sexual misconduct for any potential staff member or volunteer.
 - Discovering when and how to check references.
3. We strongly encourage churches to conduct local and national criminal background checks, and where appropriate, child abuse background clearances as required by state law for all staff, church leaders, and youth/children volunteer workers. This practice should be included as part of a plan to protect children
4. We encourage churches to implement a two-person rule of supervision. This practice, designed to protect minors from abuse and workers from accusation, calls for at least two, non-related adults who have successfully completed the screening process to supervise minors at all times, whether on or off the

premises, in rooms, vehicles, or other enclosed spaces. In situations where the two-person rule is impossible or impractical, alternatives (such as a floating observer) should be considered.

5. We encourage churches to develop policies regarding digital and electronic communication. Communicating with minors, especially with youth in the digital age (text message, email, communication apps, and social media) is common among youth pastors and other staff that work with children and youth. Such policies will help set boundaries for both the adults and minors involved.
6. We encourage churches to develop policies or statements of affirmation which could include the following:
 - Affirming the 2000 *Baptist Faith and Message* with a specific reference to Article XV, or a clear statement denouncing all forms of abuse.
 - Requesting an endorsement of the local church for any church member asked to participate in any leadership or volunteer role in the BRN and disclosure by the church of any negative criminal/child abuse background checks about that person.
 - Reporting criminal sexual misconduct to the proper legal authorities as required by law.
 - Relieving temporarily persons accused of sexual misconduct from leadership and service positions pending a thorough investigation and review of the circumstances.
 - Communicating honestly and transparently with any church or association attempting to conduct a background check and disclosing information about any person accused of abuse who left before a resolution of the charge occurred.

AWARENESS/EDUCATION

Churches are encouraged to proactively implement a plan to educate and raise awareness of the seriousness of abuse within the ministries of the church.

7. We encourage churches to proactively educate workers/volunteers about the seriousness of abuse and provide resources to enable a church to protect minors and vulnerable adults.
8. We encourage churches to provide or facilitate localized and ongoing training for all staff, church leaders and youth/children volunteer workers in preventing, recognizing, reporting, and dealing with abuse.

MINISTRY CARE/HEALING

Churches are encouraged to proactively implement a plan to minister and care for those affected by abuse.

9. We encourage churches to work with ministry partners equipped to aid churches who experience abuse situations in handling these incidents with integrity, compassion, transparency, and in accordance with the law. These teams or external ministry partners may also seek to facilitate opportunities for on-site Christian counselors to minister to the church on a case-by-case basis.
10. We encourage churches to develop a plan for ministering to sex offenders in the church by observing such things as the following:
 - Understanding what the spectrum of the term “sex offender” means.
 - Developing procedures, which provide accountability to the offender/abuser and safeguards for all members, especially children and vulnerable adults.
 - Creating a covenant between the offender and church leadership that defines the boundaries of participation, allowing church leaders to apprise others in the congregation as necessary, permitting church leaders to contact probation officers and others assigned to work with the offender and state consequences if the covenant is violated, such as being prohibited from attending church or accessing church property.
 - Designating one or more accountability partners to assist the offender in not yielding to temptation.
 - Restricting any contact with minors or vulnerable adults.
