

2021 Baptist Resource Network Week of Prayer and Offering

The 2021 #LovePASJ Baptist Resource Network State Missions Offering introduces you to a new missional framework for engaging our neighbors in Pennsylvania & South Jersey. The first phase in a three-phase plan begins with KNOWING OUR NEIGHBORS, through exegesis, prayerwalking and more.

PRAYER REQUESTS:

Day 1 - Sunday:

Please pray for the BRN's nearly 330 churches who have been pouring out God's love, grace, and peace during a particularly hard season. Especially pray for pastors, who in the aftermath of COVID-19, are feeling exhausted and overwhelmed. May the Lord bountifully provide fresh vision for their ministries and resources and refreshment for those in need. May He give church leaders and members a renewed calling and an increasing desire for revival.

Day 2 - Monday:

Please pray for BRN churches who seek to represent the Kingdom of God in their communities. Pray for God to give church members a vision for really knowing and loving their neighbors and to take advantage of available tools to help them understand their neighborhoods. Specifically pray churches will begin praying for their neighbors daily (and if possible, by name), resulting in a movement of prayer all around our region.

Thank you! 100% of your gifts directly support churches in their efforts to love their neighbors.

Day 3 - Tuesday:

Please pray for the BRN's hard-working disaster relief teams who have met the needs of neighbors, near and far, through food distribution, recovery from devastating floods, fires and hurricanes, prayer, and more. Please pray specifically for more volunteers to be called out to make a difference for those impacted by the unexpectedness of a disaster! May we be *ready in season and out of season to encourage and share God's Word* (2 Tim. 4:2) when the time comes.

Day 4 - Wednesday:

Please pray for the over 750,000 college students across PA/SJ to respond to God's call for salvation and service. Pray against the increasing percentage of young adults who leave the church once out on their own. Pray they

connect with on-fire Christians who love their collegiate neighbors in this pivotal time of their lives.

Day 5 - Thursday:

Please pray for our many churches who have been loving their neighbors through compassionate ministries, such as food distribution. Pray those opportunities, as well as other compassionate ministries, open up the door for Gospel conversations between church members and their neighbors. Pray for churches to be more outward focused and increasingly burdened for their neighbors.

Day 6 - Friday:

Please pray the fact that 14 million people in PA/SJ do not have a relationship with Jesus Christ to sink in to many hearts and compel them to initiate conversations and shared meals with

their neighbors. Who might be the person you reach out to today?

Day 7 - Saturday:

Please pray all BRN churches would experience a God-sent revival, resulting from the simple yet powerful action of burdened Christians choosing to love their neighbors like never before.

Day 8 - Sunday:

Just as Lottie Moon gifts support international missionaries, and Annie Armstrong gifts support North American missionaries, the #LovePASJ Missions Offering supports mission efforts right here at home. Please pray God gives grace and favor to the BRN team members who work

daily to assist churches in these local mission efforts.
