Session 2: Kingdom Vision and its Implications for Pennsylvania/South Jersey

Speaker: Barry Whitworth

Baptist Resource Network Executive Director Barry Whitworth will share a brief report about our work across the BRN in 2020, what we're doing to build towards our future, and a challenge to help us capture a Kingdom Vision in the midst of such a difficult pandemic year.

Session 3: A Kingdom Vision in a Pre-Christian World

Speaker: Jeff Christopherson

Ever optimistic, Jeff Christopherson continues his conversation about living and serving with Kingdom-mindedness before a watching world.

Session 4: A Kingdom Vision for a Post-Pandemic World

Speaker: Jeff Christopherson

In this session, Jeff Christopherson seeks to help churches prepare for realities that will stay "shifted" after a COVID-19 vaccine is widely available. He will point to his written parable, *Venal Dogmata*, an easy resource based on a story in **Philadelphia**, to help pastors reimagine this picture.

BREAKOUT SESSIONS

Kingdom Compassion: The Church has been Locked out of the Building

Speakers: Tom Dawson, Buff McNickle, Matt & Michele Pilla

The COVID-19 pandemic has affected us all in a variety of ways. One thing is true for all of us. It has forced us all to make changes and adjustments – whether we like them or not. One of those changes has been the Executive Orders given in our states that suspended and limited our weekly gatherings as the church. Who would have thought that we couldn't gather together to celebrate Easter? This season has caused all of us to RECALIBRATE.

Today we want to look at what does Compassion Ministry and effective outreach in our communities look like moving forward. What has being forced out of our buildings taught us? We want to show you some ways to engage your community that can help you and your ministry ACCELERATE your KINGDOM IMPACT and grow your ministry. Don't let this season define us – let's let it refine us!

Kingdom Connection: Practical Tools for Online Church

Speaker: Karl Reynolds

Audio/Video specialist Karl Reynolds of Reynolds AV knows ensuring your message is being reliably communicated is important, especially these days when churches are forced to communicate online. In this session, he offers some simple set-ups to help capture and deliver quality footage to your viewers. Be sure to reach out to Karl in the Exhibit Area, if you have other questions.

Kingdom Cooperation: CityChurch – A Look at What Can Happen When City Churches Work Together

Speakers: Harold McKenzie, Dan Nold, Jonathan Weibel

Calvary Church believes they can build a great church all by themselves, but they can only reach their city if they partner with other congregations.

In 1997, after three years of praying together, twelve local congregations gathered for a joint worship service at Eisenhower Auditorium. It was the first of many times that local congregations would join to worship and serve together.

For 17 years, pastors from these congregations and more have met to pray for each other and their city. They have met to strategize ways to work together to serve their community. They have led their congregations to live out Jesus' prayer that Christians would be known by the love they have for each other.

Kingdom Discipleship: The Micro Church Model: An Answer for Disciples Making Disciples during the Pandemic and Beyond

Speaker: Kevin Marsico

Join us as we consider three shifts that need to occur in many of our churches to move from discipling to disciples that make disciples. We will also process releasing new disciple makers to establish MicroChurches to expand God's Kingdom and our ministry influence into every area of society.

Kingdom Diversity: Diversity in SBC – We've Seen the Progress but We've not Arrived Yet

Speaker: Peter Yanes

Numbers in SBC life and ministry are not just simply numbers. They represent people of diverse races, ethnicities, cultures, languages, generations, gender, and socio-economic status.

We've seen the progress but have not arrived yet. There's so much to be done.

Kingdom Forward: Loving the Next Generation with the Heart of God

Speakers: Robert Turner, Stanley Williams

Churches and leaders say they want to reach the next generation for the gospel, but what does it look like for the church to love the next generation? Beyond strategies and goals, what are ways the church can express God's heart for adolescents and young adults?

Robert Turner and Stanley Williams have spent their entire adult lives in ministries to students. Come and be inspired on how you and your church can be the hands and feet, and the heart, of God to the Next Generation.

Kingdom Future: Seven Laws of Real Church Growth

Speaker: Will Mancini

Church growth models have often been long on promises and short on disciple-making. We continue to watch consistent church attendance shrink, and our desire to reach the lost is infected with a need for self-validation by growing our numbers at any cost. If we believe that God wants his church to grow, where do we go from here? What is the future of the church?

Drawing from his 20 years and 15,000 hours of consulting, author Will Mancini shares with pastors and ministry leaders the single most important insight he has learned about church growth. With plenty of salient stories and based solidly on the disciple-making methods found in Scripture, Future Church exposes the church's greatest challenge today, and offers 7 transforming laws of real church growth so that we can faithfully and joyfully fulfill Jesus's Great Commission.

Kingdom Justice: A Case Study for Engaging Cultural Issues Biblically

Speakers: Larry Anderson, D. Kyle Canty, Ezra Strickhouser

In 2017, the Culture Ethics Justice Coalition was formed, at the urging of BRN Executive Director Barry Whitworth and the direction of BRN Healthy Churches Director, Larry Anderson, as a diverse group of pastors got together in a safe space to discuss racial reconciliation. The very honest and transparent conversations led to remorse and repentance but ultimately to a place of reconciliation and celebration of one another, bringing an earthly glimpse of the heavenly scene described in Revelation 7:9, "After this I looked, and there was a vast multitude from every nation, tribe, people, and language, which no one could number, standing before the throne and before the Lamb..."

In this session, a few members of CEJC share what has impacted them most through this effort and what advice they would offer to other pastors and churches who desire to see Rev 7:9 on earth as it is in heaven but are unsure how to move forward in this reality.

Kingdom Women: Loving and Leading Women outside the South

Speaker: Mary Landis

For centuries, there have been many clear differences between the North and the South in the United States, including geography, weather climate, political views, and food preferences just to name a few. Ministry is among the many things that can differ greatly between the North and the South. Ministry outside the South can often feel like we are truly calling dry bones to come to life. During this session, we will explore the many ways ministry in the North differs from ministry in the South, and strategies that we can use to reach women for Christ effectively in the North. Join Mary Landis, women's ministry consultant for the Baptist Resource Network of Pennsylvania/South Jersey and Mandy Stenberg, Baptist Convention of Iowa admin and women's ministry coordinator, as they host several women's ministry leaders from throughout the Northeast and Midwest sections of the U.S. in a chat about loving and leading women outside the South.

REPORTS

EXECUTIVE COMMITTEE

Due to COVID-19 concerns, the Executive Board has determined that it is necessary to cancel the BRN Annual Business Session and Annual Gathering for 2020, originally slated for November 5-6. After careful consideration and consultation with legal counsel, it has been determined that it is not possible to hold the planned annual meeting and comply with the current orders issued by the Governors of Pennsylvania and New Jersey. Board members approved an alternative virtual mini-conference on Thursday, November 5, from 12:30-4:30 p.m. that will feature keynote presentations from Jeff Christopherson and Barry Whitworth, as well as breakouts on a variety of topics based on the theme, "Kingdom Vision," from Revelation 7:9.

BUDGET & OPERATIONS COMMITTEE

The Executive Board voted to adopt the 2020 budget as approved by the 2019 messengers and to keep the messenger-approved officers for 2021.

Statement and Encouragements to BRN Churches Regarding Abuse of Minors and Vulnerable Adults

The Baptist Resource Network of Pennsylvania/South Jersey (BRN) makes the following statement in support of the prevention of abuse and for the protection of minors and vulnerable adults. As an organization we recognize we have no authority over any church however it is our intention to encourage all churches affiliated with the BRN to be in full compliance with state law and diligently guard those whom God has given us for the purpose of ministry.

We believe that this is imperative to protect all people including minors and vulnerable adults as we work to advance the Kingdom of God. For we are all created in the image of God.

So God created man in his own image, in the image of God he created him; male and female he created them. Genesis 1:27 (ESV)

Abuse is traumatic and can cause physical, emotional, and spiritual damage that can carry through generations. Abuse can destroy family and church relationships. Churches must take affirmative steps to protect the vulnerable and care for those who have been affected by abuse. If we are to follow in the steps of Jesus and his ministry, we cannot look away from the sin of abuse and those affected.

The Spirit of the Lord is upon me, because he has anointed me to proclaim good news to the poor. He has sent me to proclaim liberty to the captives and recovering of sight to the blind, to set at liberty those who are oppressed. Luke 4:18 (ESV)

PREVENTION/PROTECTION

Churches are encouraged to develop and implement a plan to prevent abuse of minors and vulnerable adults within the ministries of the church.

1. We encourage churches to practice regular (annually at a minimum) reviews, updates, or if none exist to creating worker policies and guidelines for all staff, church leaders, and youth/children volunteers.
2. We encourage churches to take the initiative and advocate for comprehensive screening processes for all staff, church leaders, and youth/children volunteer workers to address such things as:
 - Establishing a system to ensure full compliance with all applicable state and federal laws.
 - Ensuring all background checks are completed as required by state law.
 - Understanding the need for a written application.
 - Linking to and utilizing the U. S. Department of Justice National Sex Offender Public Website posted on the Sexual Abuse Prevention page on SBC.net and to viable public databases of sexual offenders in a church or ministry setting as they may be developed.
 - Implementing at least a six-month rule of association/membership before service and participation begins in a ministry position.
 - Conducting personal interviews with applicants.
 - Researching prior church membership and volunteer work, especially with minors.

- Conducting internet research for potential news stories containing allegations of sexual misconduct for any potential staff member or volunteer.
 - Discovering when and how to check references.
3. We strongly encourage churches to conduct local and national criminal background checks, and where appropriate, child abuse background clearances as required by state law for all staff, church leaders, and youth/children volunteer workers. This practice should be included as part of a plan to protect children.
 4. We encourage churches to implement a two-person rule of supervision. This practice, designed to protect minors from abuse and workers from accusation, calls for at least two, non-related adults who have successfully completed the screening process to supervise minors at all times, whether on or off the premises, in rooms, vehicles, or other enclosed spaces. In situations where the two-person rule is impossible or impractical, alternatives (such as a floating observer) should be considered.
 5. We encourage churches to develop policies regarding digital and electronic communication. Communicating with minors, especially with youth in the digital age (text message, email, communication apps, and social media) is common among youth pastors and other staff that work with children and youth. Such policies will help set boundaries for both the adults and minors involved.
 6. We encourage churches to develop policies or statements of affirmation which could include the following:
 - Affirming the 2000 *Baptist Faith and Message* with a specific reference to Article XV, or a clear statement denouncing all forms of abuse.
 - Requesting an endorsement of the local church for any church member asked to participate in any leadership or volunteer role in the BRN and disclosure by the church of any negative criminal/child abuse background checks about that person.
 - Reporting criminal sexual misconduct to the proper legal authorities as required by law.
 - Relieving temporarily persons accused of sexual misconduct from leadership and service positions pending a thorough investigation and review of the circumstances.
 - Communicating honestly and transparently with any church or association attempting to conduct a background check and disclosing information about any person accused of abuse who left before a resolution of the charge occurred.

AWARENESS/EDUCATION

Churches are encouraged to proactively implement a plan to educate and raise awareness of the seriousness of abuse within the ministries of the church.

7. We encourage churches to proactively educate workers/volunteers about the seriousness of abuse and provide resources to enable a church to protect minors and vulnerable adults.
8. We encourage churches to provide or facilitate localized and ongoing training for all staff, church leaders and youth/children volunteer workers in preventing, recognizing, reporting, and dealing with abuse.

MINISTRY CARE/HEALING

Churches are encouraged to proactively implement a plan to minister and care for those affected by abuse.

9. We encourage churches to work with ministry partners equipped to aid churches who experience abuse situations in handling these incidents with integrity, compassion, transparency, and in accordance with the law. These teams or external ministry partners may also seek to facilitate opportunities for on-site Christian counselors to minister to the church on a case-by-case basis.
10. We encourage churches to develop a plan for ministering to sex offenders in the church by observing such things as the following:
 - Understanding what the spectrum of the term “sex offender” means.
 - Developing procedures, which provide accountability to the offender/abuser and safeguards for all members, especially children and vulnerable adults.
 - Creating a covenant between the offender and church leadership that defines the boundaries of participation, allowing church leaders to apprise others in the congregation as necessary, permitting church leaders to contact probation officers and others assigned to work with the offender and state consequences if the covenant is violated, such as being prohibited from attending church or accessing church property.
 - Designating one or more accountability partners to assist the offender in not yielding to temptation.
 - Restricting any contact with minors or vulnerable adults.

The following sources were used in preparation of these encouragements: The Southern Baptist Conference of Associational Leaders (SBCAL) and the Officers of the SBC Fellowship of State Executive Directors, *Encouragements to Associations, State Conventions, and Churches Regarding Abuse of Minors*, 2019.
