

ACCELERATED internship

Now accepting applicants
for Summer 2022

Are you ready to accelerate into ministry?

Get hands-on ministry experience. Get solid mentoring.

Get free housing. Get college credit. Get connections. Get paid.

THE BAPTIST RESOURCE NETWORK is one of the largest non-South state conventions of the Southern Baptist Convention (by population), representing over 300+ churches in Pennsylvania and South Jersey.

Our mission is to help you multiply at every level. We want disciples who make new disciples, ministries that birth new ministries, leaders who replicate new leaders, and churches that plant new churches. We believe that this mission flows directly from the Great Commission in Matthew 28.

The **ACCELERATED INTERNSHIP** is a 10-week paid summer internship that is on-site with a local church in our Network. We'll connect you with a dynamic church that can give you hands-on ministry experience and encouraging coaching where you are passionately wired for ministry: Kid-Min, Youth Ministry, Music Ministry, Evangelism/Outreach, Discipleship, or Pastoral. In addition, you'll experience training content from the "Multiplication Pipeline" developed by the North American Mission Board.

At the end of 10 weeks, you'll come away with more than just a certificate of completion. You'll have money in your pocket. Experience under your belt. Fresh fire in your soul. Friendships with a new church. Credits for college. Plus future connections with one of the largest church networks around.

ACCELERATED FACTS

- 10-week paid summer internship (\$400 per week).
- Free local housing.
- Hands-on, real-world ministry experience in a vibrant, healthy church.
- Encouraging coaching from seasoned, veteran pastors.
- 1-2 college credits earned.
- Experience "Multiplication Pipeline" training from NAMB.
- Build ministry connections with the Baptist Resource Network.
