

2022 Baptist Resource Network
Week of Prayer and Offering

Every 4.2 minutes, a person
in PA/SJ dies without Christ!

SHOW

WHO'S ON YOUR WATCH?

The Baptist Resource Network (BRN) seeks to help churches accelerate Kingdom movement and to love their neighbors. The #LovePASJ initiative, which is supported by this offering, is a three-phase plan to help churches KNOW our neighbors through exegesis and prayerwalking; SHOW Christ's love to them through evangelism and compassion ministry; and help them GROW through intentional discipleship and leadership development. Please lift BRN churches and ministries in prayer. Thank you!

PRAYER REQUESTS:

Day 1 - Sunday:

Please pray for the BRN's nearly 330 churches who seek to love their neighbors through outreach, prayer and evangelism. May the Lord bountifully provide fresh vision for their ministries and an abundance of resources and refreshment for those in need. May God give church leaders and members

a renewed calling and an increasing desire for revival and may we all accelerate Kingdom movement across our region and beyond.

Day 2 - Monday:

Please pray for BRN churches who seek to represent the Kingdom of God in their communities. Pray for God to give church members a vision for really showing love to their neighbors and to take advantage of available tools to help them evangelize their neighborhoods. Specifically pray churches will begin praying for their neighbors daily (and if possible, by name), resulting in a movement of prayer all around our region.

Thank you! 100% of your gifts directly support churches in their efforts to love their neighbors.

Day 3 - Tuesday:

Please pray for the BRN's hard-working disaster relief teams who have met the needs of neighbors, near and far, through food distribution, recovery from devastating floods, fires and hurricanes, prayer, and more. Please pray specifically for more volunteers to be called out to make a difference for those impacted by the unexpectedness of a disaster! May we be *ready in season and out of season to encourage and share God's Word* (2 Tim. 4:2).

Day 4 - Wednesday:

Please pray for the over 750,000 college students across PA/SJ to respond to God's call for salvation and service. Pray against the increasing percentage of young adults who leave the church once out on their own. Pray they

connect with on-fire Christians who love their neighbors in this pivotal time of their lives.

Day 5 - Thursday:

Please pray for our many churches who have been showing love to their neighbors through compassionate ministries, such as food distribution. Pray those opportunities, as well as other compassionate ministries, open up the door for gospel conversations between church members and their neighbors. Pray for churches to be more outward focused and increasingly burdened for their neighbors.

Day 6 - Friday:

Knowing that 14 million people in PA/SJ do not have a relationship with Jesus Christ, please pray God compels our church members to initiate conversations and

share meals with their neighbors. Who might be the person you reach out to today?

Day 7 - Saturday:

Please pray all BRN churches would experience a God-sent revival, resulting from the simple yet powerful action of burdened Christians choosing to love their neighbors like never before.

Day 8 - Sunday:

Just as Lottie Moon gifts support international missionaries, and Annie Armstrong gifts support North American missionaries, the #LovePASJ Missions Offering supports mission efforts right here at home. Please pray God gives grace and favor to the BRN team members who work daily to assist churches in these local mission efforts.
