Grace & Peace!!

*Give of your best to the Master, Give of the strength of your youth;
Throw your soul's fresh, glowing ardor Into the battle for truth.
Jesus has set the example; Dauntless was He, young and brave;
Give Him your loyal devotion, Give Him the best that you have.*

These words of a familiar old hymn of the church, remind each emerging generation that our lives **CAN** and **MUST** count for the kingdom! As we follow our Lord and Savior, we are empowered to **MAKE A DIFFERENCE** for the **KINGDOM OF GOD**.

During our Fall Conference, we invite you to join students from across our region sharing a weekend enhancing their '**AUTHENTIC INFLUENCE**' and capacity to make change for Christ without being in charge.

This weekend is intended to catapult student leaders, galvanize leadership teams and inspire the growing Christian young adult, collegian to boldly take the next steps in their walk of obedient Christ following on their campus as His Missionary.

Stay In Character. They say character is who you are when no one is looking. The challenge is, when you lead, **every-one** is **looking**. The seat of a leader's influence is their character. This seminar will encourage you to build a solid seat for where, how and who you are as you lead.

C

[Collegiate]

Becoming A People Person: Cultivating Your Relational Skills. A leader's most important assets are their people skills. Without them, even the most charismatic and competent leader is often just taking an adventurous visionary walk ALONE. This seminar will challenge you to develop skills in connecting with people and connecting people to each other to be a God glorifying team.

Facilitator:

D

[Collegiate]

The 5 Levels Of Leadership—Why People Follow Their Leaders. The longer you are a leader, the more REASONS people should have for why they are still on board with your leadership.
