our new annual meeting format:***

You'll notice we started the day with our business session,
so you can enjoy an uninterrupted conference experience.

WELCOME

Hello, BRN Family! We're so glad that you've come to Harrisburg for our second annual Accelerate Conference.

At the Baptist Resource Network of Pennsylvania/South Jersey, we are aware of the 14 million people in our region who do not yet have a saving faith in Jesus Christ. Moreover, vital statistics indicate that every 4.2 minutes, one person in PA/SJ dies and enters an eternity without Jesus.

We see brokenness all around us -- broken marriages and families, violence, addictions, and apathy toward our neighbors. But Scripture tells us to *"love one another. Just as I have loved you, you are also to love one another"* (John 13:34 CSB).

In our region, we envision all 300+ of our Southern Baptist churches as strong community partners in times of need. We envision families, neighborhoods, and churches full of vitality and health. We envision more and more people calling upon the name of Jesus. In short, we envision churches accelerating Kingdom movement.

At this year's conference, we are going to unpack "SHOW," the second of three phases of the #LovePASJ initiative, whose goal is to accelerate Kingdom movement by equipping churches to focus on evangelism and compassion ministry. We believe it's more important than ever to #LovePASJ and to follow His command to love our neighbors.

We are excited to welcome WinterJam speaker Shane Pruitt, who is the National Next Gen Director for the North American Mission Board. Shane, whose personal blog has over 3 million viewers, is also a traveling communicator, evangelist, and Bible teacher. Every year he speaks to tens of thousands about the good news of Jesus Christ. In fact, Shane and his wife, Kasi, were featured as ABC's Nightly News "Persons of the Week" in August 2017. He will encourage us in our evangelism efforts, especially as we seek to reach the next generation.

We are also thankful for SEVEN, the worship team from Messiah University, and Sasha and Vita Livantsov of Voices of Ukraine, who will lead us into worship, and for our breakout speakers, who wonderfully represent our BRN family.

I earnestly pray this conference will encourage our churches (*members and pastors!*) to accelerate Kingdom movement in Pennsylvania/South Jersey and beyond.

Your Missionary to PA/SJ,

DR. BARRY WHITWORTH

*Executive Director,
Baptist Resource Network*

Worship by: **Sasha & Vita Livantsov,** ***Voices of Ukraine***

We are all devastated by the war Russia has waged on Ukraine. Baptist Resource Network churches have dedicated prayer and resources to help Ukrainians who have left their country and resettled around the world. In a powerful display of faith and resiliency, worshippers Sasha & Vita Livantsov of *Voices of Ukraine* (www.voices4ukraine.org) will lead a special time of worship during the closing dinner of the Accelerate Conference. They have been worship leaders for many years in Ukraine. Now God has called them here to be a voice for Ukraine. We will take up a love offering at the dinner to be used to help either with resettling or providing relief for refugees. We also would like to give every conference participant a backpack to fill with items helpful to those endeavors.

Panel Discussion, Moderated by Stanley Williams and Featuring:

Dewey & Kathie Aiken, On-Site Coordinators, Baptists on Mission

Dewey and Kathie Aiken are Baptists on Mission On-Site Coordinators for the Appalachian Coalfields Ministry. They also serve churches in the Baptist Resource Network and the Baptist Churches of New England, where they provide mission support and prayer. Under their leadership, several mission teams have come and renovated the BRN Volunteer House in Harrisburg. The Aikens combine a deep passion for showing the love of Christ to others with a clear understanding of the needs of mission teams.

Fred Neal, Executive Pastor, Harvest Church

"Big Fred" has served as executive pastor at Harvest Church since 2008 where they have shepherded the church growth from one campus with 350 people to a church with four campuses and about 1,400 people.

Harvest not only has an extensive community outreach effort but they are active with 15 foreign missionaries and a church-based planting effort in West Bengal, India. Fred's formal education has been split between Indiana University of Pennsylvania and Liberty University in Virginia with concentrations in criminal justice and religion. He retired from the Pennsylvania Attorney General's Office in 2008 to accept the calling into the vocational ministry after 33 years of law enforcement. Fred and his wife Anna have three adult children and seven grandchildren (soon to blossom to 10).

Harrison Smith

Hal Selby

Featuring:

Harrison Smith, Sr. Regional Alliance Director, Alliance Defending Freedom (ADF)

Harrison Smith is a Sr. Regional Alliance Director for the ADF Church Alliance and has been with Alliance Defending Freedom since 2014. His passion for the Gospel and interest in law and current affairs and how those intersect allows him to enthusiastically communicate with others. He works with major ministry and denominational leaders across the country on religious liberty issues to ensure that the body of Christ understands the current cultural and legal climate and knows how to respond via the resources available to them through the ADF Church Alliance. His heart is to see the Church boldly proclaim the Truth of the Gospel in our day!

Hal Selby, Ministry Director, Refuge 461 Ministries

Hal Selby and his wife, Lisa, are the ministry directors of Refuge 461 Ministries and are from Starkville, Mississippi. They have been married since 1987 and have three children and six grandchildren. In November of 1999, Hal confessed to Lisa that he had been secretly involved in homosexuality most of his life, including, at that time, their 12 years of marriage. This came as a shock to Lisa since Hal had been in ministry as a pastor for 20 years of his life. Through much prayer and the study of God's Word, God has healed their lives and restored their marriage. Now, out of their own healing and restoration, God has led them in this ministry to others whose lives are impacted by homosexuality.

Refuge 461 is a Christian discipleship ministry offering help and hope to individuals, couples and families whose lives are impacted by homosexuality. In addition to this, their ministry seeks to help equip the church in how to have a redemptive response to LGBTQ+ individuals.

Refuge 461 is affiliated with the North American Mission Board of the Southern Baptist Convention, the Mississippi Baptist Convention, the Golden Triangle Baptist Association in Columbus, Mississippi, and with Adaton Baptist Church in Starkville where Hal is the senior pastor.

Brennan Coughlin is a church planter and preaching pastor at Fellowship CrossPoint Church. After eleven years teaching history in New Jersey public schools, Brennan felt called to full-time ministry. He earned a master of divinity degree from Biblical Seminary in 2011, and in 2014, he and his wife, Kathleen, moved with their four children to Trenton to

The church began with a team of twenty sent out from Fellowship Community Church in Mount Laurel, New Jersey, and they met weekly in the Coughlins' home for Bible study. In the spring of 2015, worship services began in a living room, and eight months later, the church outgrew the space and began to worship at the Trenton War Memorial.

Brennan, a member of the Baptist Resource Network's Executive Board, longs to honor the Lord with his life

by bringing glory to God through the proclamation of the Gospel in his home, in Chesterfield, and in the surrounding communities. In his spare time, he enjoys running while listening to sermons and audiobooks. He recently received his doctor of ministry degree in expository preaching from Southeastern Baptist Theological Seminary. Buff McNickle

Featuring:

Tom Dawson, Senior Pastor, SOAR Church, Woodbine, N.J.

Reverend Dr. Thomas Dawson, Jr. has served as the senior pastor of The SOAR Church since 1998. Prior to his call to pastorship, for 13 years Dr. Dawson held a data control analyst title at the Philadelphia Stock Market and various management titles at the Automatic Data Processing Brokerage Division, providing client support to major brokerage firms such as Merrill Lynch, Smith Barney, and Prudential.

Under the leadership of Dr. Dawson, The SOAR Church has become multicultural and has grown from a membership of 50 to over 500 and serves residents in three counties. His vision has enabled The SOAR Church to impact its community by giving over \$50,000 to local schools for Autism Awareness and thousands of coats and school supplies to those in need through the years.

Dr. Dawson's partnership with the New Jersey Food Bank allows The SOAR Church to provide food to hundreds of families monthly through its SOAR food bank. The church has also sponsored school trips for local schools and provided financial support to families in need.

Dr. Dawson is a current member of the FBI Citizens Organization, Coalition for a Safe Community, Cape May Regional Health Alliance, Cape May County Mental Health Alcohol & Drug Abuse Board, Cape May County Healthy Community Coalition, and Atlantic/Cape May Vicinage Diversity Inclusion and Community Engagement Committee. Buff McNickle, Director of Compassion Ministries, Baptist Resource Network

With a passion to reach people with the gospel of Jesus Christ and the missional goal to build relationships that would inspire others to grow in their faith and understanding of Jesus, Pastor Buff McNickle became a church planter of Grace Falls Church in the Atlantic County region of southern New Jersey in 2013.

During the infancy of the new church plant, he and his core team were able to interact with those who suffer from substance abuse and homelessness, began a ministry of care

and compassion to dancers in the local adult entertainment industry, provided afterschool homework help to school children at a local community center for low-income families, built relationships with the workers at a local soup kitchen, and for a small group of believers, encouraged them to break out of their traditions of being mere pew-fillers to being inspired and prepared to carry the gospel into their circle of influence.

Pastor Buff was born and raised in Mobile, Alabama. He has served in full-time ministry since 1992. He started off as a student pastor for 12 years and then transitioned to family pastor in another church. He then went on to serve at the University of Mobile as a Director of Student Leadership and Involvement where he helped build and develop leadership among the students throughout various organizations on campus. From 2008-2013, he served as a minister to singles and young adults at Idlewild Baptist Church in Lutz, Florida.

John Opalewski
*Founder, Converge Coaching,
Washington, Michigan*

John Opalewski is a graduate of Oral Roberts University. He served as a pastor for 15 years. He has worked in the business world for nearly two decades, serving in multiple leadership roles. John's experience as a leader in both the church and business

arenas has made him a sought-after international speaker, consultant and mentor. He and his wife Laura founded Converge Coaching in 2012. Converge Coaching exists to promote a working model that enables a leader to be effective in their role while maintaining health in their personal life. The model promotes a foundationally sound approach to mental/emotional health, to proper boundary-setting in terms

of relationships and schedule, and the priority of a leader's family over work. John was one of the first caregivers for the Full Strength Network and currently leads peer group huddles for pastors. He personally experienced burnout and depression while pastoring and he has written several pieces about burnout.

MISSION STRATEGY

The BRN exists to resource and service churches all over Pennsylvania and South Jersey. It is our desire to take care of pastors and to come alongside churches and help them take the next step God is calling them to take. We do this through a four-step mission strategy:

ASSESS: *Discover Your Current Reality*

An honest and detailed look at your overall ministry, defining where you've been, determining where you are, and discovering where you can go.

ASSIST: *Determine Your Next Step*

Interpreting what you have discovered, prioritizing a next step, and developing fresh strategies to meet the needs and vision of that next step.

ACTIVATE: *Implement Your Next Step*

Encouraging individuals, ministries, and churches to implement strategies and goals developed by the assistance of the BRN and the guidance of the Holy Spirit.

ADVANCE: *Help Others with Their Current Reality*

Enabling churches who exhibit dynamic biblical behavior and movement (moving and leading out) to contribute to the growth and advancement of the Kingdom within the BRN and beyond.

ACCELERATING KINGDOM MOVEMENT

INTRODUCING PASTORAL WELLNESS

Because we care about the health of our pastors and their families, we offer these initiatives.

Ministry can be exceptionally lonely, so the Baptist Resource Network offers an extended support network, prayer encouragement, and retreats and other events to help refresh our partnering churches' leaders, pastor's wives, and families.

We come alongside lead pastors in four ways:

RECREATION:

The BRN offers free Pastor Blessing events and gatherings, such as a day at the golf range or other special outings, for pastors, pastor couples and/or pastor families. These events provide pure fun and camaraderie with fellow ministry leaders.

RESPITE:

Ministry can be quite tiring. The BRN offers pastors and their families free use of its Guest House in Harrisburg, where they can enjoy a quiet time away from the demands of ministry. This well appointed home is situated close to several restaurants and recreation.

RESTRENGTHENING:

Through a vital partnership with Full Strength Network (FSN), the BRN offers free monthly counseling or coaching for the pastor and his wife and family. FSN provides a wellbeing membership for pastors and church staff to live and lead at full strength. BRN ministry leaders have the permission, privacy and provision to access professional experts and confidential resources.

REASSURANCE:

GuideStone Financial Services serves churches and organizations with products and services that promote financial health and spiritual wellness. The BRN partners with GuideStone to provide free protection benefits and retirement contributions for qualified candidates. The BRN also offers Legacy and Estate Planning for churches, individuals and families.

The North Carolina / Pennsylvania Baptist Partnership

What's This?:

An avenue through which North Carolina Baptist churches, associations, and individuals have opportunity to partner with Pennsylvania Baptist congregations, church plants, and ministries in fulfilling the God-given task of reaching the lost for Christ.

What do
Partnership
Teams do?:

NC Partnership teams have served all around the world in many different ways:

Bible School
Backyard Bible Clubs
Community Surveys
Revival Teams
Youth and Children's Camps
Music ministry

New Construction
Renovation of existing facilities
Painting
Landscaping and cement work
Sports clinics and camps
Leadership Training **...And More!**

What can a
Partnership
team do for me
and my church?

The purpose of a NC Partnership team is to partner with you in reaching your community for Christ. This could include a direct ministry such as a Backyard Bible Club, sports camp, evangelism, and other outreach activities – OR - one that better equips your church *for* ministry – such as leadership training or facility construction or renovation.

How much will
having a
Partnership
team cost?

NC Partnership teams pay their own way to the field. They are also prepared to pay their own housing, transportation, and meals *if necessary*. If it's possible for them to stay in your church facility and/or for your church to provide one meal a day for them – that helps greatly, but is not required. Also, most VBS or Park Party teams are willing to bring some materials if needed. Construction and renovation-type teams usually expect materials to be provided by the requesting church or organization – although on occasion, they may be willing to contribute toward materials if needed.

How do I go
about requesting
a team from
North Carolina?

Pray about how you might use a volunteer missionary team to assist you in fulfilling your ministry. Fill out one (or more!) of the NC Partnership Volunteer Request Forms (brnunited.org/partner/bscnc). Send the form to Mark Abernathy, Baptists on Mission (BOM). We will be glad to receive requests throughout the year, but most of our churches begin their missions planning 8-10 months in advance, and will be eager to see a list of requests beginning in October. So please submit the request as soon as possible.

What happens
then?

Baptists on Mission will work to promote your project among our churches here in North Carolina (and beyond via our website!) and help find a team to fill it. While we cannot guarantee a team to fill your request, we will promote it throughout the year in a variety of ways. When a team shows interest, the team leader will be put in direct contact with you. If you both feel it is a good fit, you both will set the dates of service and work out all the necessary details.

If you have any questions about the North Carolina/Pennsylvania Partnership, please feel free to contact:

REPORTS

EXECUTIVE BOARD

At this time, I would like to present my report to you as president of the Executive Board of the BRN. The Executive Board exists to serve the churches of the Baptist Resource Network. We do this primarily by ensuring oversight, accountability, and affirmation of the cooperative work that we have partnered together to do for the sake of the glory of Jesus Christ, under the authority of the Bible and within the parameters of the Baptist Faith and Message 2000. Working closely with Dr. Whitworth and the BRN staff, we seek to advance the Kingdom of God by accelerating Kingdom movements across Pennsylvania and South Jersey so that every church in our family is a healthy, multiplying church.

The last year in the life of the Southern Baptist Convention has been tumultuous, to say the least. Some have grown increasingly skeptical of our institutions, and they have also been shaken by the findings of the Guidepost report on the handling, or mishandling, of reports of sexual abuse by the SBC's Executive Committee, among other things. Some are concerned about their continued association with our convention of churches in light of all that has taken place. Indeed, a handful of churches have chosen to withdraw themselves from the BRN and the SBC over these concerns. Though the BRN is not the SBC, we recognize that the strife and shortcomings of our convention nationally may cause some to be wary and suspicious of our state convention.

With this in mind, the Executive Board of the BRN has worked diligently for years to be transparent, accountable, and Kingdom-minded in our ministry to you and in partnership with you. I'd like to highlight three ways that we have endeavored to do that, particularly in the last year.

Since the bombshell Houston Chronicle article several years ago which raised serious questions relating to the handling of sexual abuse allegations, the BRN has labored to be a community which operates with integrity and transparency, and where abuse is not tolerated. The BRN has adopted a clear statement concerning sex abuse, and over the last year, we have crafted and adopted a new Abuse Prevention policy following best practices which our staff has worked hard to implement. This has included updated clearances and background checks, as well as training for all BRN staff. We have created a step-by-step process for the hub staff to follow should an instance of abuse in the BRN or one of our churches be disclosed to us. The staff have also gathered a wealth of excellent resources to help our churches which Shannon Baker has created a page for on the BRN's website. brnunited.org/resources/abuse-prevention

Second, the Executive Board recognizes that one of the foundational pillars of our family of churches is the financial blessing that is the Southern Baptist Convention's Cooperative Program. You all, in good faith, give diligently to the Cooperative Program with the goal of seeing the Kingdom of God advanced through cooperative missions. The BRN greatly benefits from your CP giving in partnership with the North American Mission Board to serve our churches in Pennsylvania and South Jersey and to accomplish the Great Commission. For this reason, the BRN takes financial accountability seriously, because we are stewards of Kingdom resources. Every year the BRN undergoes an independent, financial audit to ensure that we are handling these resources with integrity. Also, The Executive Board's

Leadership team receives and reviews monthly financial reports, and the Board's Finance and Operation Committee reviews our operational budget at every Board meeting for the sake of accountability and transparency.

Third and finally, in the last six years that I have been a member of the Board, I am grateful to report to you that we have worked hard to create an environment where the Board itself has become an environment to provide helpful pushback, accountability, and transparency for the BRN. The Board's leadership team has met monthly all year long to provide helpful dialogue and critical feedback for the Executive Director as he oversees the daily operation of the BRN. I love and appreciate Barry Whitworth and our fantastic staff. He, with the Board's help, has moved toward more and more Board engagement, creating an atmosphere of open dialogue and accountability. Barry can tell you how many times in the last year he has brought an issue or idea to the Board's leadership team and received some healthy feedback and pushback; but also, he and the Board leadership team can tell you how often we have brought an issue or idea to the full board and they have pushed back, sending us back to the drawing board with some helpful wisdom and guidance.

The BRN is not a perfect institution. It is after all, a human institution; however, I hope that you all can have full confidence that your continued partnership with us is a worthwhile investment in Kingdom work. Character matters because the gospel matters. 2nd Corinthians 5:17-21 says:

"Therefore, if anyone is in Christ, he is a new creation; the old has passed away, and see, the new has come! Everything is from God, who has reconciled us to Himself through Christ and has given us the ministry of reconciliation. That is, in Christ, God was reconciling the world to himself, not counting their trespasses against them, and he has committed the message of reconciliation to us. Therefore, we are ambassadors for Christ, since God is making his appeal through us. We plead on Christ's behalf: "Be reconciled to God." He made the one who did not know sin to be sin for us so that in him we might become the righteousness of God.

Notice in these verses that wicked, ruined people are redeemed through the death and resurrection of the sinless, Son of God. Everyone who trusts in Jesus Christ by faith can receive redemption and the forgiveness of their sins because of his loving, completed work. All those in Christ have a new, righteous character because of their union with him. Not only that, they are entrusted with a sacred mission. They are reconciled to God in order that they might be his ambassadors of reconciliation in the world. This is why we strive at the BRN to be humble, honest, Christ-exalting, Kingdom-advancing, Bible-preaching, church-planting, disciple-making, mission-minded, gospel people.

Let me take just a moment to highlight some additional work the Board has done this year. Many of these things I'm going to briefly mention will be things that Dr. Whitworth will share more about in the upcoming conference sessions:

1. Because this Board represents you, we've added more information about how you can see who your Board representatives are and communicate with the Board on the BRN's website. (brnunited.org/about/executive-board) To that end, we've also created a new form and process for you all to nominate candidates to serve on the BRN's Executive Board. Right now, you can go

to the website and see a wealth of information about the Board and nominate someone you know as a candidate to serve on the Board for next year's meeting.

2. We believe that healthy pastors lead healthy multiplying churches. To encourage and support our BRN pastors, the Board and the staff have created a Pastoral Wellness Initiative to provide recreation, restrengthening, reassurance, and respite care to our pastors.
3. Even in this current, tumultuous economy, the establishment of the LovePA/SJ fund last year has been a blessing and benefit to the BRN and the team has created an excellent Legacy giving guide, as well as a workshop to help encourage our churches and individuals in our churches to consider how they might use their resources to advance the Kingdom even after they have gone to be with the Lord.

In conclusion, brothers and sisters, the BRN does its best work when it is able to come alongside our churches. Our staff will tell you that they would love to talk to you about what's the next step you and your church can take to continue to grow, thrive, and have a greater gospel impact. We exist to accelerate Kingdom movement and we do that best not primarily in Nashville with the SBC's Executive Committee, NAMB, the IMB, or our Seminaries. We do that best here, locally, in close fellowship through the bonds that your church members have with one another, the bonds your church has with other, local churches, and our family of churches have together.

BRN Executive Board President
Pastor, First Southern Baptist Church, Williamsport, PA

Statement and Encouragements to BRN Churches Regarding Abuse of Minors and Vulnerable Adults

The Baptist Resource Network of Pennsylvania/South Jersey (BRN) makes the following statement in support of the prevention of abuse and for the protection of minors and vulnerable adults. As an organization we recognize we have no authority over any church however it is our intention to encourage all churches affiliated with the BRN to be in full compliance with state law and diligently guard those whom God has given us for the purpose of ministry.

We believe that this is imperative to protect all people including minors and vulnerable adults as we work to advance the Kingdom of God. For we are all created in the image of God.

So God created man in his own image, in the image of God he created him; male and female he created them. Genesis 1:27 (ESV)

Abuse is traumatic and can cause physical, emotional, and spiritual damage that can carry through generations. Abuse can destroy family and church relationships. Churches must take affirmative steps to protect the vulnerable and care for those who have been affected by abuse. If we are to follow in the steps of Jesus and his ministry, we cannot look away from the sin of abuse and those affected.

The Spirit of the Lord is upon me, because he has anointed me to proclaim good news to the poor. He has sent me to proclaim liberty to the captives and recovering of sight to the blind, to set at liberty those who are oppressed. Luke 4:18 (ESV)

PREVENTION/PROTECTION

Churches are encouraged to develop and implement a plan to prevent abuse of minors and vulnerable adults within the ministries of the church.

1. We encourage churches to practice regular (annually at a minimum) reviews, updates, or if none exist to creating worker policies and guidelines for all staff, church leaders, and youth/children volunteers.
2. We encourage churches to take the initiative and advocate for comprehensive screening processes for all staff, church leaders, and youth/children volunteer workers to address such things as:
 - Establishing a system to ensure full compliance with all applicable state and federal laws.
 - Ensuring all background checks are completed as required by state law.
 - Understanding the need for a written application.
 - Linking to and utilizing the U. S. Department of Justice National Sex Offender Public Website posted on the Sexual Abuse Prevention page on SBC.net and to viable public databases of sexual offenders in a church or ministry setting as they may be developed.
 - Implementing at least a six-month rule of association/membership before service and participation begins in a ministry position.
 - Conducting personal interviews with applicants.
 - Researching prior church membership and volunteer work, especially with minors.

- Conducting internet research for potential news stories containing allegations of sexual misconduct for any potential staff member or volunteer.
 - Discovering when and how to check references.
3. We strongly encourage churches to conduct local and national criminal background checks, and where appropriate, child abuse background clearances as required by state law for all staff, church leaders, and youth/children volunteer workers. This practice should be included as part of a plan to protect children.
 4. We encourage churches to implement a two-person rule of supervision. This practice, designed to protect minors from abuse and workers from accusation, calls for at least two, non-related adults who have successfully completed the screening process to supervise minors at all times, whether on or off the premises, in rooms, vehicles, or other enclosed spaces. In situations where the two-person rule is impossible or impractical, alternatives (such as a floating observer) should be considered.
 5. We encourage churches to develop policies regarding digital and electronic communication. Communicating with minors, especially with youth in the digital age (text message, email, communication apps, and social media) is common among youth pastors and other staff that work with children and youth. Such policies will help set boundaries for both the adults and minors involved.
 6. We encourage churches to develop policies or statements of affirmation which could include the following:
 - Affirming the 2000 *Baptist Faith and Message* with a specific reference to Article XV, or a clear statement denouncing all forms of abuse.
 - Requesting an endorsement of the local church for any church member asked to participate in any leadership or volunteer role in the BRN and disclosure by the church of any negative criminal/child abuse background checks about that person.
 - Reporting criminal sexual misconduct to the proper legal authorities as required by law.
 - Relieving temporarily persons accused of sexual misconduct from leadership and service positions pending a thorough investigation and review of the circumstances.
 - Communicating honestly and transparently with any church or association attempting to conduct a background check and disclosing information about any person accused of abuse who left before a resolution of the charge occurred.

AWARENESS/EDUCATION

Churches are encouraged to proactively implement a plan to educate and raise awareness of the seriousness of abuse within the ministries of the church.

7. We encourage churches to proactively educate workers/volunteers about the seriousness of abuse and provide resources to enable a church to protect minors and vulnerable adults.
8. We encourage churches to provide or facilitate localized and ongoing training for all staff, church leaders and youth/children volunteer workers in preventing, recognizing, reporting, and dealing with abuse.

MINISTRY CARE/HEALING

Churches are encouraged to proactively implement a plan to minister and care for those affected by abuse.

9. We encourage churches to work with ministry partners equipped to aid churches who experience abuse situations in handling these incidents with integrity, compassion, transparency, and in accordance with the law. These teams or external ministry partners may also seek to facilitate opportunities for on-site Christian counselors to minister to the church on a case-by-case basis.
10. We encourage churches to develop a plan for ministering to sex offenders in the church by observing such things as the following:
 - Understanding what the spectrum of the term “sex offender” means.
 - Developing procedures, which provide accountability to the offender/abuser and safeguards for all members, especially children and vulnerable adults.
 - Creating a covenant between the offender and church leadership that defines the boundaries of participation, allowing church leaders to apprise others in the congregation as necessary, permitting church leaders to contact probation officers and others assigned to work with the offender and state consequences if the covenant is violated, such as being prohibited from attending church or accessing church property.
 - Designating one or more accountability partners to assist the offender in not yielding to temptation.
 - Restricting any contact with minors or vulnerable adults.

The following sources were used in preparation of these encouragements: The Southern Baptist Conference of Associational Leaders (SBCAL) and the Officers of the SBC Fellowship of State Executive Directors, *Encouragements to Associations, State Conventions, and Churches Regarding Abuse of Minors*, 2019.

Baptist Resource Network of PA/SJ Statement on Marriage, Gender, and Sexuality

What we believe about Marriage, Gender and Human Sexuality

We believe that God created all things to display His immeasurable glory (Colossians 1:16). The pinnacle of God's creation was a man and woman (male and female) created in His image (Genesis 1-2). From the very beginning, God established the institution of marriage between a man and woman as an unchanging and permanent part of the display of God's glory in the world (Genesis 2:18-25; Ephesians 5:22-33).

Therefore, we believe that God is the only one who can define, explain, and set boundaries on marriage and sexuality. We, then, must follow God's purposes and design rather than any culture, organization or government.

We believe that God wonderfully and immutably creates each person as male or female, and this gift of gender is part of the goodness of God's creation. These two distinct, complementary genders together reflect the image and nature of God (Genesis 1:26-27). So, we believe that rejection of one's biological sex is a rejection of the image of God within that person and contrary to God's creation and design.

We believe that the term "marriage" has only one meaning: the uniting of one man and one woman in a single, exclusive union, as defined in Scripture (Genesis 2:18-25).

We believe that God intends sexual intimacy to occur only between a man and a woman who are married to each other (1 Corinthians 6:18; 7:2-5; Hebrews 13:4) and any sexual activity outside of the protections of a biblical marriage is sinful and offensive to God (Matthew 15:18-20; 1 Corinthians 6:9-10).

Yet, we believe that God offers redemption and restoration to all who confess and forsake their sin, seeking His mercy and forgiveness through Jesus Christ (Acts 3:19-21; Romans 10:9-10; 1 Corinthians 6:9-11). As a church, we believe that every person must be afforded compassion, love, kindness, respect, and dignity (Mark 12:28-31; Luke 6:31). We believe that compassion and kindness come most importantly not by condoning sin or by ignoring God's commands in Scripture, but by calling sinners to repent of their sin and to believe in Jesus. Therefore, it is our desire to help those who struggle with sexual sin, seeking to love people in Jesus' name, and pointing all people to Jesus' power to forgive and to heal.

Our Faith Based Policy

We believe that in order to preserve the function and integrity of our organization as a support for gospel expansion and support for the local Body of Christ (the church), and to provide a biblical role model to churches, church members, and the community, it is imperative that all persons employed by this organization in any capacity (W-2, 1099), serve on the executive board, or who serve as volunteers, agree to and abide by this Statement on Marriage, Gender, and Human Sexuality (Matthew 5:16; Philipians 2:14-16; 1 Thessalonians 5:22).

Board, Leadership, Staff, & Consultants:

1. Every minister, employee, or consultant hired by the BRN shall affirm their agreement with the organization's statement on Marriage, Gender and Human Sexuality and conduct themselves in a manner that is consistent therewith.
2. Board members and volunteers are expected to lead, teach, serve, and live in a manner that

is consistent with this policy.

3. The paid staff, consultants, board members, and volunteers of this organization shall be subject to dismissal for violating this Statement on Marriage, Gender and Human Sexuality in either beliefs or in practice.

This *Statement on Marriage, Gender, and Sexuality* expresses the BRN's deeply held religious beliefs.
