

Partnership Validation & Covenant

Our church has prayerfully considered the ministry, organization, and mission efforts of the BRN and Southern Baptists. We believe our church, and the cause of Christ, will benefit from this partnership with the BRN and the SBC. We affirm this affiliation agreement, the *Baptist Faith & Message*, agree to contribute to the Cooperative Program, and complete the Annual Church Profile. We have asked questions where necessary and agree to covenant together as partners in the Gospel.
